

# Testing Czar visits Bacoor City, holds dialogue on COVID-19

Mayor Lani Mercado-Revilla

**BACOR CITY, Cavite (PIA) --** National Task Force COVID-19 Deputy Implementer and currently Testing Czar Secretary Vince Dizon visited the city yesterday to hold a dialogue with the members of the Bacoor City Task Force COVID-19 led by City Mayor Lani Revilla.

The consultation between the City Task Force and the party of Sec. Vince Dizon discussed the current status of the testing and isolation facilities of the city.

Mayor Revilla presented the COVID-19 Up-

date in the city that showed an upsurge in the number of positive cases of the coronavirus since the beginning of the month of July. Based on the latest data, almost 60% of the new cases are employees working in NCR.

The upscale trend

highlighted the need for a massive and aggressive PCR testing that would result to the shortage of isolation and quarantine facilities.

The Testing Czar committed to immediately

## RECOVERY AND REHABILITATION PROGRAM FOR AFRICAN SWINE FEVER AFFECTED FARMERS

The Department of Agriculture Region IV-A, in coordination with the Provincial Veterinary Office headed by Dr. May Magno distributed chicks and veterinary medicines as part of the Recovery and Rehabilitation Program for African Swine Fever Affected Farmers last July 20, 2020 at the DA Cavite Research and Experiment Station (DA-CARES) in Naic, Cavite. Ms. Vilma Dimaculangan, DA IV-A Regional Livestock Program Coordinator, led the turnover of commodities intended for beneficiary farmers from the cities of Dasmariñas, General Trias, Tagaytay and Trece Martires, as well as farmers from the municipalities of Indang, General Mariano Alvarez, Carmona, Ternate, Magallanes, Maragondon, and Noveleta. They received chicks, feeds, housing, vitamins and medicines as DA's support to regain the losses of livestock raisers affected by the disease.

## FEATURE

# Know the difference of multi-level marketing vs. pyramiding

With the new normal situation we are in during this time of coronavirus disease 2019 (COVID-19) pandemic and the countless hardships during this trying times such as loss of employment, downside in business enterprises and so much more, you may not want to add up to becoming a victim of scams or pyramiding, do you?

With the loss of employment and the alternative work arrangement, people tend to be attracted to the "your own business or job opportunities" being offered by some individuals with the use of social media.

So, how can you protect yourself and your money from becoming a victim of pyramiding or fraudulent offers online?

According to Provincial Director Natalia Dalaten of the Department of Trade and Industry (DTI) in Pangasinan, not all businesses or job opportunities are legitimate, there might be scams or pyramiding, especially when the business or job being offered is using "multi-level marketing."

Before availing any income generating opportunity, it is important to understand the difference of multi-level marketing and pyramiding to protect you from becoming one of the scam victims.

So, what is multi-level marketing and pyramiding?

Dalaten said that multi-level marketing focuses on selling products while pyramid schemes focus more on recruitments.

Multi-level marketing offers the chance of retailing consumer products sold by independent salespeople or distributor and earnings are based on effort or ability to sell consumer products supplied to the distributor by the company.

Pyramiding or pyramid schemes concentrate more on recruiting other participants than selling the product or service and even sharing little information or not mentioning on how to market the item.

She said that as part of the efforts to protect the public against pyramiding, DTI releases guidelines that will help the public be informed and be vigilant before entering into any purchase or business or job opportunity engagement.

Dalaten said it is required to do the following to be protected against pyramiding:

-Obtain and verify all company information, including name, address, phone number, website and principals.

-Find out start-up costs and the expected return of investment.

-Review all marketing material and sales plans.

-Verify earnings of other independent distributors that have worked for or are currently employed by the company.

-Check with the Securities and Exchange Commission (SEC) by visiting their website at [www.sec.gov.ph/wp](http://www.sec.gov.ph/wp) if the company is registered.

If in doubt about the business offers and job opportunities, Dalaten advised the public to call DTI-Pangasinan at telephone number (075) 515-3183 or 529-6177 or send an email at [r01pangasinan@dti.gov.ph](mailto:r01pangasinan@dti.gov.ph) for more additional information about multi-level marketing and pyramiding. # 'BAGONG MANILA ZOO'

## GROUNDBREAKS

The City Government of Manila's efforts to revive and redevelop the 5-hectare Manila Zoological and Botanical Garden, fondly called as the Manila Zoo and has begun.

On Saturday, July 25, Manila Mayor Francisco 'Isko Moreno' Domagoso led the groundbreaking ceremony for the construction of the 'Bagong Manila Zoo'

Domagoso said the redevelopment and rehabilitation of the Manila Zoo is part of his administration's agenda to stimulate the city's economy in the long term.

The infrastructure project, worth P1,736,400,000, will cover 51,000 square meters of the recreation facility. The Manila Department of Engineering and Public Works said the target duration for the completion is 19 months.

The Manila Zoo was closed to the public under the previous administration after the Department of Environment and Natural Resources (DENR) tagged the facility as a "major pollutant of Manila Bay."

According to the DENR, the zoo was dumping untreated sewage into Estero de San Antonio Abad. The facility does not

**Manila Mayor Francisco 'Isko Moreno' Domagoso on Saturday, July 25, leads the groundbreaking ceremony for the construction of the 'Bagong Manila Zoo'. (Photo credit: Manila PIO)**

currently have a sewage treatment plant.

Under the redevelopment plan, the city government will build a sewage treatment plant, a materials recovery facility and a new veterinary hospital.

It will also include the construction of new habitats for animals, gardens, public toilets, a museum, a restaurant and a new parking area, among

others.

With these plans, the mayor hopes to build a zoo he said is "similar and competitive to Singapore Zoo."

"You are going to witness this, we are going to build in the near future the best zoo in Asia," Domagoso said during his speech at the groundbreaking ceremony.

"I am happy that we are not only going to

build a zoo, a clean zoo, but a healthier zoo for our animals. I want the best for you, mga Batang Maynila," he said.

Manila Zoo was opened was first opened on July 25, 1959 during the time of then Manila Mayor Arsenio Lacson. It was considered as the oldest zoo in the Philippines and in Asia. source:(PIO Manila/PIA-NCR)

## ATICalabarzon

BY: Janine L. Cailo

About 30 members of the Army Reserve Command (ARESCOM) are currently undergoing training on mushroom and honey bee production, as part of their food security efforts in this pandemic.

Initially, they have established an organic farming project to promote the productive use of land resources at the Camp Riego de Dios in Tanza, Cavite.

ATI is funding and facilitating the said training to further support the goals of ARESKOM.

# ATI Calabarzon leads its first training for our uniformed personnel

act on the issues brought up in the dialogue with provision of additional swab teams from the NTF for the massive testing, and offered to add more isolation and quarantine facilities in the city because of an expected increase in the number of cases after conducting testing of all suspect cases in the city.

Sec. Dizon said, "The city of Bacoar is no different in the situation and needs of those in the NCR because of its location."

Aside from the dialogue, Sec. Dizon together with officers of the

Department of Health IV-A turned-over 5,000 Personal Protective Equipment (PPE) sets comprised of body suits, face masks and gloves and about 2,000 pieces of PCR test kits for the 1st batch of donations to the city government.

NCR, Cavite, Laguna and Rizal are now considered as the epicenter or source of the big cases of the COVID-19, and the NTF will now be the partner of the LGUs to help curb the virus.

Mayor Lani was thankful for these interven-

tions by the NTF and also called for the help and co-operation of the companies and employers of Bacoar workers in NCR to help with the provision of isolation facilities so as not to require the patients to return home to prevent the spread of infection to their immediate family and to the community as well.

The city currently has recorded 522 confirmed cases out of which 302 are Active cases, 189 had fully recovered and 31 deaths as of July 22, 2020. (Ruel Francisco, PIA-Cavite with reports from Bacoar PIO)

## RECOVERY...page 1

ected by ASF. Recovery and rehabilitation plans were laid out to enable farmers to rise up through a different form of livelihood that will serve as their source of income. A total of two hundred thirty-seven farmer beneficiaries were recorded during the event including the farmers from the municipalities of Silang, General Emilio Aguinaldo, Amadeo, Naic, Tanza, Alfonso and Mendez who will receive the same commodities on July 23. -- Gina Perlado Pereña

Provincial Veterinary Office Dr. May Magno

## City Government of Bacoar

Pinaalalahanan ng pamunuan ng Talaba III ang kanilang mga ka-barangay na kailangang magsuot ng face mask kapag sila'y nasa pampublikong lugar. Sa pangunguna ni Punong Barangay Coralyn Pulido, mga Barangay Kagawad, at Barangay Tanod, naglagay sila ng mga tarpaulins sa iba't ibang bahagi ng kanilang nasasakupan bilang paalala.

Ayon sa City Ordinance No. 68-2020, ang mahuhuli na walang face mask sa pampublikong lugar ay papatawan ng P2000 multa o magsasagawa ng community service.

# DONATIONS to fire victims in Sampaloc 4, Dasmariñas City, Cavite

HOMEOWNERS' ASSOCIATION FEDERATION OF THE CITY OF DASMARINAS (HAFCOD) donates cash, grocery packs to 128 families who are fire victims in Sampaloc 4.

## Celebration of Eid'l Adha 2020

On July 28, 2020 at about 2:20 PM, personnel of this station, under the direct supervision of PMAJ JUAN P ORUGA JR, Acting Chief of Police of Tagaytay CCPS, hung a tarpaulin in front of Masjid Al Hudah to show support to our Muslim brothers and sisters in the celebration of Eid'l Adha 2020 (Feast of Sacrifice).

## DILG:69K...P6

approval of the Department of Budget and Management (DBM) to our proposal of hiring at least 50,000 contact tracers to further intensify our contact tracing efforts," he said.

According to Año, the country's contact tracing capacity stands at 98.2% as of July 17, as local contact tracing teams have so far traced 47,474 out of 48,371 confirmed cases and their 161,975 close contacts.

MIMAROPA, Regions V, Region IX, Caraga, and BARMM have 100% contact tracing capability. On the other hand, Regions X, VI, and II have the lowest capacity with 87.47%, 80.11%, and 74.41%.

Año also welcomed the designation of Baguio City Mayor Benjamin Magalong as the new anti-COVID czar on contact tracing because he has expertise in the field owing to his experience as former chief of the PNP Central

Investigation and Detection Group.

"With Mayor Benjie leading the government's contact tracing efforts, I am sure that the country's contact tracing capability will significantly improve," he said.

WHO has earlier stressed the need for the country to beef up its tracing efforts and testing capacity to allow local government units to isolate possible cases to prevent the spread of the virus.

99% CTT efficiency in Cebu City

Meanwhile, DILG Spokesperson and Undersecretary Jonathan E. Malaya said that the 99% efficiency of contact tracing teams in Cebu City and other quarantine measures is instrumental in the reduction of the transmission in the said province.

In a report submitted to the DILG Central Office, Malaya said that a

total of 31 CTTs in Cebu City with all 149 members are devoted to the contact tracing efforts. So far, 7,589 out of 7,685 COVID-19 cases have been traced, and 9,828 contacts have been assessed.

"We have been seeing a downward trend in the city, and this is partly because of the work of our contact tracers," Malaya said.

He said that the government will continue its intensified whole-of-nation approach including close monitoring and assistance to COVID-19 patients and their close contacts, quarantine or isolation facilities, management of locally stranded individuals, close coordination of funeral parlors and crematoria for the management of the dead and the missing, issuance of show cause orders to erring LGUs, and monitoring of SAP second tranche distribution.

## ULAP, LandBank to launch new economic recovery lending program for LGUs

The Union of Local Authorities of the Philippines (ULAP) and the Land Bank of the Philippines (LandBank) will launch today a new lending program that aims to support local government units (LGUs) in the implementation of their economic recovery plans.

The LandBank RISE UP LGUs (Restoration and Invigoration package for a Self-sufficient Economy towards UPgrowth for LGUs) Lending Program is designed to help revive local economies

severely affected by the COVID-19 pandemic, through financing for infrastructure and market development to link agricultural products to the market, support for social welfare and health care services, and other projects that provide basic and support services for local enterprises, according to a statement sent to the PIA-NCR.

The virtual signing of a memorandum of understanding (MOU) between the Bank, ULAP, and other stakeholders will be led by ULAP president Governor Dakila Carlo E. Cua and LandBank president and CEO Cecilia C. Borromeo.

The event will also be attended by member-Leagues and officers including, among others, League of Provinces of the Philippines (LPP) National President Governor Presbitero J. Velasco, Jr., League of Cities of the Philippines (LCP) National President Mayor Evelio R. Leonardia, and League of Municipalities of the Philippines (LMP) National President Mayor Luis C. Singson.

The live stream will be available via the official Facebook pages of ULAP ([fb.com/ulap.net.ph](https://fb.com/ulap.net.ph)) and LandBank ([fb.com/landbankofficial](https://fb.com/landbankofficial)) starting at 2:00 p.m. (source:PIA NCR)

start of rapid testing to all frontliners here in the city, to ensure the safety and health of all of them."

"If someone tested positive on this rapid testing, we will immediately send it to PCR swab testing to determine if it is positive and will undergo assessment and evaluation by the physician until the result comes out," added Dr. Luseco.

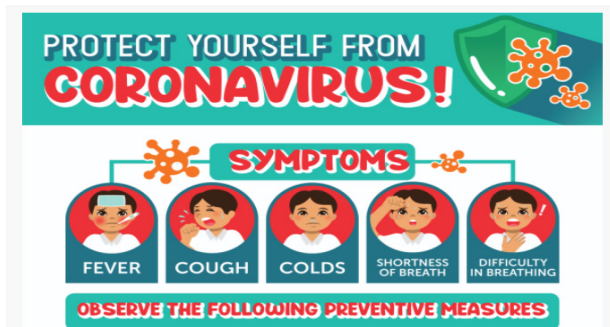

The rapid test kits used were part of the 4,000 COVID-19 Rapid Test Kits donated by the Metrobank, GT Foundation, and Project Ark to the city government.

Sangguniang Kabataan Federation President of General Trias Reienel Ferrer said, "This program of our LGU is good for the safety and health of all our frontliners who serve the city, I

hope it will continue to all the staffs working for our town."

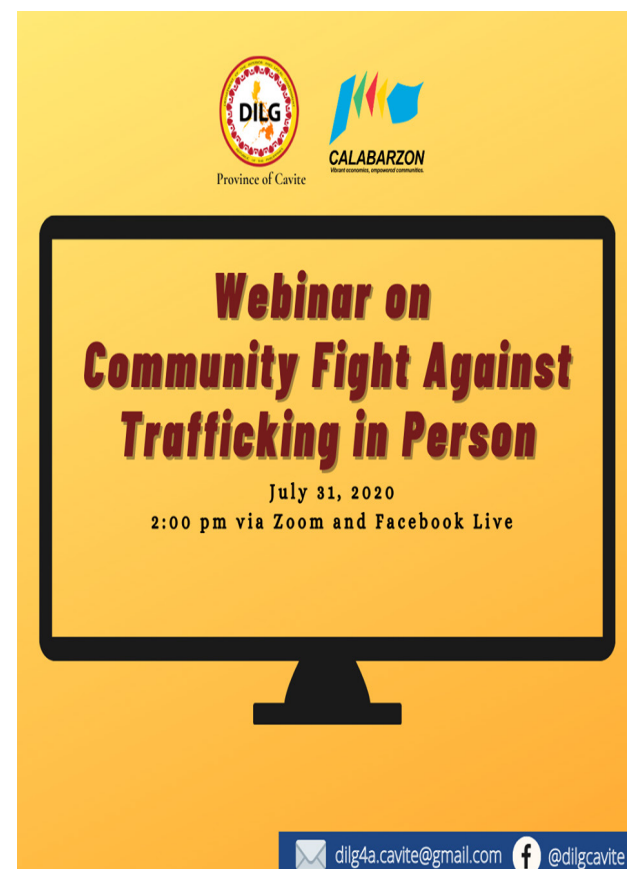

Mayor Ony Ferrer with brother Congressman Luis Ferrer IV, 6th Dist. of Cavite were one in reminding the people to strictly follow health protocols particularly the mandatory wearing of face masks especially when outside the houses, observe physical distancing and avoiding crowded places.

After the activity, SKF Ferrer together with Mayor Ony, Cong. Jonjon Ferrer, and Councilor Jonas Labuguen distributed relief packs to all 33 SK Chairmen and Kagawads at the Barangay Pinagtipunan covered Court. (Ruel Francisco, PIA-Cavite with report from Dennis Abrina)

# DILG: 69k contact tracers now deployed nationwide

As part of the government's intensified contact tracing efforts, the Department of the Interior and Local Government (DILG) today said that over 69,000 contact tracers have been deployed nationwide to track down and manage close contacts, reduce the spread of infection, and to offer diagnostic, counselling and treatment to confirmed COVID-19 cases.

DILG Secretary Eduardo M. Año said that 69,098 contact tracers assigned to 5,215 contact tracing teams nationwide are now actively aiding communities in monitoring both asymptomatic and symptomatic COVID-19 patients and their close contacts daily for 14 days beginning

from the last point of exposure.

"Our local contact tracing teams nationwide are working double-time to interrupt the transmission and reduce the spread of infection. This way, we can cover all the bases in the end-to-end trace-test-treat (T3) management system against this virus," Año said.

He said that the number of contact tracers is continuously increasing because many volunteers from the communities are also coming forward and helping in efforts to monitor and search for those who have had close contacts with COVID-19 cases. "We are also awaiting the

## LGU GENTRI CONDUCTS RAPID TESTING FOR FRONTLINERS IN THE CITY

General Trias City, Cavite (PIA) -- About 120 frontliners underwent COVID-19 rapid testing on July 24 conducted by the City Health Department to make sure that employees of the city government are healthy while attending to their duties in the frontline.

The health activity was held at the General Trias Convention parking

lot in Barangay Sampalukan with members of the Sangguniang Kabataan, the City Disaster Risk Reduction and Management Office, and the Bureau of Fire Protection which comprised the 1st batch of frontliners.

City Health Officer Dr. Jonathan Luseco who headed the medical team said, "This is the
