Supreme Court Lauds Passage of RA No. 11576

The Supreme Court is pleased with the signing into law of Republic Act (R.A.) No. 11576, the law expanding the jurisdiction of trial courts nationwide.

"Through this new law, the jurisdictional amounts of our trial courts have now been adjusted to levels which are more suitable to the current economic conditions and property valuation in the country," said Chief Justice Alexander G. Gesmundo. "This law will no doubt help declog the dockets of our second-level

el courts, which in turn would lead to a faster adjudication of cases and better administration of justice," he added.

R.A. No. 11576, or "An Act Further Expanding the Jurisdiction of the Metropolitan Trial Courts, Municipal Trial Courts in Cities, Municipal

Trial Courts, and Municipal Circuit Trial Courts, Amending for the Purposes Batas Pambansa Blg. 129, Otherwise Known as 'The Judiciary Reorganization Act of 1980,' As Amended," amends Section 19 of BP Blg. 129 by increasing the jurisdictional amount cognizable by the Regional Trial Courts (RTCs) in all civil actions which involve the title to, or possession of, real property, or any interest therein, from the previous amount of P20,000 (P50,000 in Metro Manila) to P400,000, except for

forcible entry into and unlawful detainer of lands and buildings, original jurisdiction over which remains with the first-level courts.

R.A. No. 11576 also increases the jurisdiction of the RTCs in all actions and maritime jurisdiction where the demand or claims exceeds P2,000,000, from the previous amount of P300,000 (P400,000 in Metro Manila); in all matters of testate and intestate probate where the gross value of the estate exceeds P2,000,000, from the previous amount of P300,000 (P400,000 in Metro Manila); and in all other cases in which the demand, exclusive of interest, damages of whatever kind, attorney's fees, litigation expenses and costs or the value of the property in controversy exceeds P2,000,000.

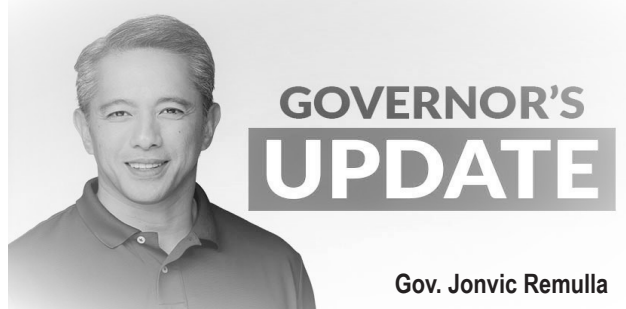

The new law likewise delegates to the Supreme Court the authority to adjust the jurisdictional amount for first- and second-level courts to: (1) reflect the extraordinary supervening inflation and deflation of currency; (2) reflect change in the land valuation; or (3) maintain the proportion of caseload between first- and second-level courts, without prejudice on the part of the Congress to adjust the amounts when the circumstances warrant.

"I would like to thank

the leaders of both houses of Congress and all lawmakers who supported the bill. I also personally thank Sen. Richard J. Gordon, Chairperson of Senate Committee on Justice and Human Rights, who worked hard for the passing of the bill. I likewise acknowledge my predecessors, Chief Justice Lucas P. Bersamin who first broached the idea with lawmakers about amending the law on the jurisdiction of the bill in Congress," said Chief Justice Gesmundo.

The last time the jurisdictional amounts of trial courts nationwide were adjusted was on February 22, 2004, when the amount in Sec. 33(1) of BP Blg. 129 for first-level courts outside of Metro Manila was increased to P300,000. The jurisdictional amount of Metro Manila first-level courts had been previously adjusted to P400,000 on March 20, 1999.

Since 2004, no other amendment to the jurisdictional amounts of the first-level courts has been introduced. R.A. No. 11576 was signed into law by President Rodrigo R. Duterte on July 30, 2021. It will take effect 15 days following its publication in the Official Gazette or in two newspapers of general circulation.

(MUNTIK)ECQ

Agosto 10/ Noong nagpulong ang mga Gobernador sa Region 4-A, inihayag ko sa grupo na mas gusto ko na ilagay sa MECQ ang Cavite kesa ECQ.

Marami ang nagtaka: Bakit ang Laguna ay ECQ habang ang Cavite ay MECQ?

Ito po ang aking mga dahilan:

1. Ang AYUDA na inilaan ng NatGov ay hindi sapat para sa lahat.
2. Kapag ilagay sa ECQ ang Cavite, halos P1 Bilyon kada-araw ang mawawala sa ating ekonomiya. Mula pasweldo sa mga Industrial Zones at iba pang mga pagawaan.
3. Kailangan angkinin ng bawat isa ang responsibilidad para sa sarili nilang kapakanan. Kung inyong mapapansin ay tinanggal na ng PNP ang mga checkpoint na talaga namang nagiging sanhi ng malubhang traffic.

Itinakda na lamang nila ang mga nararapat tulad ng:

1. Pagsita sa mga PUJ/PUB ukol sa overcrowding at overpricing.
2. Pagbabantay sa mga pagala-gala at nagkalat sa lansangan.
3. Pag-enforce ng curfew at anti-drunk driving law.

Ang (medyo) good news naman ay ang mga sumusunod:

1. Nag-umpisa na ang testing para sa eventual launching ng #CaviteFreeWiFi sa buong lalawigan. Sa mga susunod na araw, mapapansin ninyo na medyo lalakas ang signal sa inyong mga tahanan.

PAALALA: ITO AY TESTING PHASE PA LAMANG at exclusive sa mga taga-Cavite. Ang 100% implementation nito ay tinatayang sa Abril 2022.

2. May 16.7% (472,000) na ang fully vaccinated sa Cavite. Ang utilization rate na bigay ng DOH vaccines ay halos 100%.

3. Ang order natin na 1,500,000 doses ng NOVAVAX ay na-move at maaaring dumating sa 1st week ng October. Hinihintay na lamang natin ang Emergency Use Authority mula sa FDA para masimulan na natin ang vaccination program para sa buong lalawigan.

FYI. Sinubukan po namin mag order ng J&J, the ONE dose wonder. Pero kahit Johnson and Johnson Manila ay hindi tinanggap ang ating request for vaccine procurement.

Huwag na po tayong magalit kahit kanino man. Everyone has their hands full.

The National Government and LGU's are doing their best. I understand all your frustrations but bear with us as we continue to solve all these problems together.

DA chief lowers agri growth goal to 2% for 2021

MANILA – The Department of Agriculture (DA) has adjusted the country's agricultural growth target this year to 2 percent from the earlier announced 2.5 percent.

"Before, our projection is 2.5 percent, but with the continuing two pandemics affecting the country -- Covid-19 (coronavirus disease 2019) and African swine

fever (ASF)-- we have set it to 2 percent growth target this year," Agriculture Secretary William Dar said during the virtual forum of the Economic Journalists Association of the Philippines (EJAP) on Wednesday.

Philippine Statistics Authority (PSA) data showed that the contraction of Philippine agriculture this second quarter

of 2021 is only .1 percent. Dar said this slight contraction shows that the country's economy is recovering but nowhere near before the Covid-19 pandemic.

He added there are indications in several sub-sectors of agriculture that the new target is achievable.

"Drivers of this growth shall be in the

crop sector, we are hoping na madoble pa ang output sa rice (we hope that we can double the rice output)," Dar said.

Palay production during the first semester recorded some 8.8 million metric tons (MT) which is the highest in the country's history.

PSA data indicated that this figure is

#TeacherBroadCaster ng CAVITE

Kilalanin natin si Teacher Levin Pabriaga, tubong Cavite, at isang Teacher Broadcaster ng DepEd TV. Sa edad na 27 taon ay mayroon na syang Master’s Degree sa Philippine Normal University (PNU), at kumukuha na ng Doctorate Degree major in Curriculum sa PNU rin. Nahasa ang kanyang pagtuturo sa Mambog Elementary School, kung saan sya ay nagtuturo ng Kindergarten.

Noong sya ay nasa high school ay nagkaroon sya ng karamdamang Scoliosis kung saan sinabi ng mga doktor na may taning na ang kanyang buhay. Ngunit nagabayan sya ng Diyos at binigyan pa ng pagkakataong manatili sa mundo, at ngayon ay narating ang pangarap nyang maging guro.

Inspirasyon nya ang kanyang ina, na syang nagbigay sa kanya ng labis na pagmamahal. Tinuro ng Ina nya na magdasal ng taimtim, maging mabuting tao, at magsikap ng husto. Ikinararangal ni Teacher Levin ang pagiging Teacher Broadcaster. Para sa kanya, isa itong landas upang makatulong sa pagpapaunlad ng edukasyon sa ating bansa, bagamat may mga paghamon at pagsubok.

Nitong pandemya ay nakita ni Teacher Levin na maraming talento ang bawat isa sa atin. Dahil sa mahabang bakasyon, sya ay nakagawa ng maraming awit pambata. Nagamit nya ang mga likhaing ito sa kanyang mga episodes sa DepEd TV, pati na rin sa tutorial sessions sa ETUlay. Kaya’t ani nya, “kung may pangarap na matagal nang gustong gawin, wag nang magdalawang-isip! Ngayon ang perpektong araw na umpisahan ito.”

Para kay Teacher Levin, tunay na matatag ang mga mag-aaral, guro, at mga magulang. May pandemya man at maraming pagsubok na kanilang hinaharap, dahil sa pagtutulungan ay nalalampasan ang mga ito. Ang mga Pilipino, para sa kanya, ay “handing lumaban sa anumang hamon na dala ng mundo.”

Ngayong miyerkules Agosto 11 ay nagsadya ang butihing Mayor ng Alfonso Randy Salamat sa Brgy. Esperanza Ibaba at Ilaya para sa lingguhang People’s Day. Layunin ng buong Pamahalaang Bayan ng Alfonso na ilapit sa ating mga kababayan ang ating munisipyo. Dahil dito ay naging madali para sa ilang Alfonseño na magpahayag ng kanilang mga pangangailangan at iba pang sadya nang hindi na bumabyahe patungong munispyo dahil sa ating community quarantine. Nag pasalamat din si Mayor sa mga kawani ng munisipyo at sa buong barangay officials na katuwang natin sa pagpapanatili ng safety protocols tuwing People’s Day. /Facebook :Randy Salamat

Binigyang diin ni Mayor Emmanuel Maliksi ang kahalagahan ng inisyatibong ito upang bigyang proteksyon ang mga essential workers kasabay ng pagbabalik-sigla ng lokal na ekonomiya ng Imus.

4.9 percent more than in 2020, for the same period.

The PSA said the crops sub-sector, which contributed 56 percent of the total agriculture output for the second quarter (Q2) of the year, was bannered by palay and corn, which grew by 1.2 percent and 6.3 percent, respectively. Consequently, the crop sub-sector recorded 3.1 percent growth while the poultry sub-sector showed a 2.5 percent increase in the second quarter of 2021 as per data from the PSA.

However, these were not enough to pull up the overall performance of the agri-fishery sector, which dipped by 1.5 percent. The negative growth was attributed to the respective decline in the value of livestock and fisheries production, at -19.3 percent and -1.1 percent, respectively.

“Expectedly, the livestock sub-sector, particularly the swine industry, has pulled down our composite agri-fishery performance, due to the ASF, whose incidence is already waning,” Dar said.

"Rest assured that we will continuously and vigorously implement the Bantay ASF sa

Barangay and its twin hog repopulation program, in partnership with the local government units (LGUs), hog raisers' groups and the private sector to revive the country's swine industry," he noted.

In earlier reports, the DA said several ASF-affected areas in Batangas were recently declared free from the disease, and many more are expected to follow suit.

By the end of August 2021, a report on the efficacy of the ASF vaccine that has been tested in various commercial farms in Luzon will be released. (PNA)

Caritas PH sets up P65.5M scholarship fund for ‘academically challenged’ students

By CBCP News/Press release

Caritas Philippines has set up a scholarship fund for “academically challenged” junior high school students.

The national Caritas allocated P65.5 million educational assistance as part of its Alay Kapwa Legacy Stewardship Program (AKLSP).

Its director, Bishop Jose Collin Bagaforo, said they aim to provide at least 525 poor children “with equal access to primary and secondary education and skills and opportunities.”

“We need to invest in the education of our youth if we want more gold medals, better government and next-generation leaders,” Bagaforo said.

Caritas’ executive secretary Fr. Antonio Labiao said the educational assistance covers online learning and other school fees, tutorial services and training.

The program, he added, is integrated with Caritas’ family development program which also includes food security, savings mobilization, enterprise development, citizenship building, and family feeding.

“We are hoping that with these interventions, we will be able to realize our mandate to instill mercy, justice and sustainable development as pillars of our faith and action,” Labiao said.

Launched in 2021, AKLSP is Caritas Philippines’ contribution to the initiatives in celebration of the 500 years of Christianity in the country.

In the event the public auction should not take place on the said date and time, it shall be held on **October 14, 2021** without further notice.

Prospective bidders/buyers are hereby enjoined to investigate for themselves the title to the said property and encumbrance thereon if any there be.

LRT-1 Cavite Extension now 58% complete

MANILA – The Cavite Extension project of the Light Rail Transit Line 1 (LRT-1) is 58.03 percent complete after the girder has been installed along the Manila – Cavite Expressway (Cavite).

Once completed, the project is seen to reduce travel time between Baclaran and Bacoor, Cavite from 1 hour and 10 minutes to just 25 minutes and increase passenger capacity from 500,000 to 800,000 daily.

Department of Transportation (DOTr)

Secretary Arthur Tugade said the girders, or horizontal support structures, were installed using the full span girder launching method using special equipment and were completed faster compared to traditional pre-casting.

"Further, these girders will no longer have to be transported via road transport, so as not to cause traffic congestion along the affected areas," Tugade said in a Facebook post Wednesday.

Initially approved by the National Economic

and Development Authority (NEDA) Investment Coordination Committee in August 2000, the DOTr said zero percent of the right of way (ROW) was certified as "free and clear" by the project's independent consultant back in 2016.

In May 2019, the DOTr expedited the acquisition of ROW for the project's first phase and worked with the Light Rail Transit Authority and the Light Rail Manila Corporation to begin its construction. source:(PNA)

Gov't to begin handing over cash aid in NCR on Aug. 11, says interior chief

Local governments in Metro Manila will start the distribution of cash aid on Wednesday, August 11, to the population affected by the imposition of lockdown aimed at curbing the increasing number of COVID-19 cases due to the more transmissible Delta variant, Interior Secretary Eduardo Año said on Monday.

In his report to President Rodrigo Roa Duterte, Año said Metro

Manila LGUs, the Department of the Interior and Local Government (DILG), Department of Social Welfare and Development (DSWD), and Department of National Defense (DND) are working for the issuance of the Joint Memorandum Circular No. 3.

Under DILG's Joint Memorandum Circular No.3 series of 2021, P10.98 billion will be used to subsidize over 10 million low-in-

come Filipinos in the National Capital Region (NCR).

Año said the recipients will be the low-income individuals and families identified by the LGUs. Long-term or temporary NCR residents affected by the enhanced community quarantine (ECQ) are entitled to receive the cash aid.

The interior chief said they are working on a P278-mil-
