President Rodrigo Roa Duterte vowed to go after corrupt Philippine Health Insurance Corp. (PhilHealth) officials saying he would spend his two remaining years in office eliminating corruption at the state-run insurance corporation.

In a televised public address morning, President Duterte said he himself would endorse the cases to be filed against corrupt PhilHealth officials, stressing he would affix his signature in endorsing cases against them.

The President said the PhilHealth should be thoroughly investigated and those responsible must be prosecuted.

"Iyong PhilHealth ang dapat imbestigahan at dapat i-prosecute lahat at dapat ikulong. Kung iyan na lang ang trabaho ko sa maiwan ko sa tat — dalawang taon, iyan na rin ang gagaa-

My friends, according to the directive of IATF, even if our province is already in GCQ, we will be more strict in implementing the rules that aims to stop increasing cases of COVID-19. Because of this, it will still remain closed the gym, review centers, testing centers and internet cafes until August 31.

Don't worry about our fellow Caviteño who is being lined up in this kind of life because it will open in Sept. 1 mentioned businesses to revive our economy. Even though we should still be prepared for possible changes in government directive, because it depends on the increase or decrease of COVID-19 cases in our province and nationwide in the following days.

In other words, a large portion of our salvation depends on ourselves. Any change in the run of our lives we can surely overcome if we operate discipline.

## Tagaytay CCPS PCR PNP Good Deeds

Today August 26, 2020 PCpl Ronald D Mendoza, a registered nurse and PCpl Ruel R Causaren, while rendering their duty at the Quarantine Control Point in Brgy. Francisco, Tagaytay City a woman who is about to give birth which identified as Decirie Mardo called for help while on board a "bukyo". These police officers did not hesitate to lend a hand and immediately brought said woman to Ospital ng Tagaytay but while on their way to the hospital, the woman unexpectedly delivered her baby inside the mobile patrol while being assisted by PCpl Mendoza.

Personnel of Tagaytay CCPS, under the direct supervision of PMAJ JUAN P ORUGA JR, ACOP, on Aug 24 conducted distribution of Safety Tips leaflets to prevent spread of COVID-19 and RA 9165 to the employees of Fora Mall located in Brgy. Silang Crossing East, Tagaytay City. Also reminded in the strict implementation of the precautionary measures to obviate spread of COVID-19 like wearing of face masks and face shields, proper hand washing and social distancing.

# DOH CALABARZON IMPLEMENTS CODE STRATEGY FOR BRGY AFFECTED BY COVID-19

The Department of Health (DOH) – CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) this week started implementing the "Coordinated Operations to Defeat Epidemic" or CODE strategy to 30 barangays with the highest confirmed or active cases of COVID-19 in the region.

According to Regional Director Eduardo C. Janairo, under the CODE COVID-19, each barangay will be closely monitored and ensure their accessibility to isolation facilities, including birthing facility, laboratory and dialysis center. The number of workers in each barangay will also be accounted for including the presence and assistance of Barangay Health Emergency Response Team

(BHERT) and the Philippine National Police.

"Once these are all in place, we will begin the massive swab testing immediately sa mga identified barangays. Magkakaroon tayo ng active case finding at magha-house-to-house tayo to check kung mayroong mga taong may covid symptoms sa kanilang mga bahay. Kapag mayroong nagpositibo na miyembro ng isang pamilya ay kailangang i-lockdown ang bahay at walang palalabasin upang hindi makahawa pa ng iba. We will isolate residence who are positive with COVID-19 including their close contacts." he stated.

Janairo added that the swab testing for residents of identified barangays will be free of charge.

The CODE strat-

egy will involve close coordination between DOH representatives, the local government units and the communities to ensure that communities are properly prepared as they return to GCQ.

"Dito ay magfo-focus tayo sa barangay level and we will address it through a more stringent enforcement of health protocols including localized lockdowns, curfews, staying at home and lesser social interactions to prevent the spread and transmission of the virus."

As of August 20, 2020, there are 15,292 COVID 19 cases in CALABARZON and 10,086 are active cases. There are 4,789 recoveries with 420 deaths reported.

Of The five prov-

## Kabalikat Regional at National Awards nakamit ng City Govt of Bacoor sa pamumuno ni Mayor Lani Mercado

Pinarangalan ang City Government of Bacoor sa pangunguna ni Mayor Lani Mercado Revilla katuwang si Congressman Strike B. Revilla at sa lahat ng bumubuo ng Livelihood Department sa liderato ni Ms Lita F. Gawaran sa pagkamit ng Kabalik Regional at National Awards mula sa TESDA.

Ang prestihiyosong parangal na ito ay nakamit ng Pamahalaang Lungsod ng Bacoor dahil sa patuloy na pakikipagtulungan ng lungsod sa TESDA upang makapaghandog ng mga libreng pagsasanay at pag-aaral sa mga Bacooreño sa pamamagitan ng Revilla Center.

Ang mga kasanayang ito ay malaki na ang naitutulong sa pag-angat ng kabuhayan ng mga scholars ng Revilla Center.

Thumbs up City Government of Bacoor!

## 27 Pangasinense students stranded in Cavite return home

LINGAYEN, Pangasinan – Some 27 senior high school graduates recently stranded in Silang, Cavite have reunited with their families after the provincial government of Pangasinan facilitated their return to the province.

In a statement, the Provincial Information Office (PIO) said the students were composed of 14 males and 13 females who graduated from St. Mary of Ban-neux (The Sisters of Mary) school.

"They were not allowed to go home to Pangasinan since the start of the lockdown in March. Several of them stated that they have been away from their home months before the declared quarantine periods," the PIO said.

The students were fetched on August 23 by the provincial government's shuttle buses from Cavite to their respective homes, it added.

"Inclusive of the free transportation, the locally stranded individuals were treated with meals and family packs," the PIO said.

It said the students were not allowed to be visited by their family members but the institution did not totally block their communication.

"The parents or guardians of the students were allowed to connect with their sons and daughters via scheduled phone calls using the institution's communication lines (for students who do not have cellular phones). With stricter administrative policy, the students were not allowed to go out of the school premises at all to safeguard their health and ensure their safety," the PIO said.

## Bishops warn against push for revolutionary gov't

The push for a revolutionary government by supporters of President Rodrigo Duterte will only bring "chaos" than improvement, Catholic bishops warned.

Caritas Philippines national director Bishop Jose Colin Bagaforo of Kidapawan said that "not only that it is inciting to sedition, it is at best will ruin the government".

"Declaring a revolutionary government will only bring chaos to an already beleaguered administration," Bagaforo said.

"It will not solve the problems we are facing but instead use the Filipino people as pawns to justify vested interests," he said.

Echoing Bagaforo's statement, Bishop Broderick Pabillo, the apostolic administrator of the Manila archdiocese, said the proposal is "unjust and immoral".

"That is seditious. That is being a traitor to the country," Pabillo said over Church-run Radio Veritas.

The bishops instead urged the government to focus on pressing matters such as addressing the coronavirus health crisis.

"(They) should focus on the pandemic, the ongoing

health crisis in the country instead of setting up a revolutionary government," Archbishop Martin Jumoad of Ozamiz said.

For his part, Bishop Ruperto Santos of Balanga said that the proposal is not only unconstitutional "but an open admission that the present government is a total failure."

"They want to change the government just to install the same government officials. There is no sense, void of human reason. It is just like the maxim same dog different collar," he said.

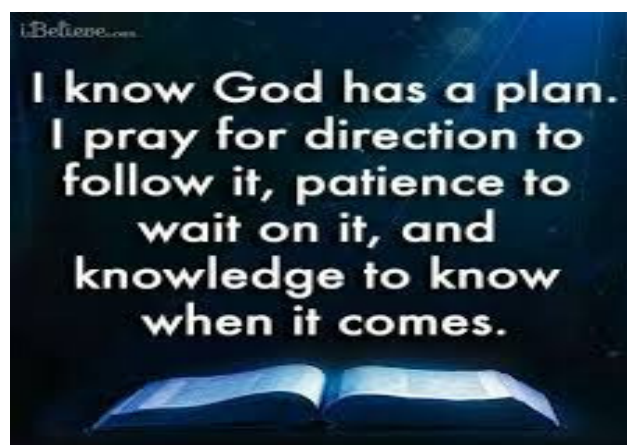

Bagaforo called on Filipinos to be more vigilant and make sure that "deceiving

plots" against democracy and people's welfare will be closely scrutinized.

The prelate also stressed the importance for Duterte to "truthfully disclose" his state of health.

"Not for his successor and critics to benefit from, but for Filipinos to be assured that we have a sound, fit-to-rule executive, able to carry-out decisions with the best of intentions for the Filipino people at heart," he said.

Some 300 people gathered at Clark Freeport in Pampanga on Saturday to call for the establishment of a revolutionary government to be headed by Duterte.

and is targeting to give 300 face shields in the barangay.

The use of face shields in public places and in the workplace is now a mandatory ruling for health and safety thus the SK is calling on all those in need of face shields to list their names on the SK Molino 1 FB page to be able to get a free face shield.

The successful undertaking of these projects were accomplished thru the leadership of SK Chairperson Ericka Joy Gayamo together with SK Council members and guidance and support of Molino 1 Barangay Captain Leo Boying Dominguez and he youth volunteers as well. (Ruel Francisco/Bacoor PIO)

## DILG: 437 local execs and conspirators face raps over SAP 1 anomalies

The Department of the Interior and Local Government (DILG) said 437 local elected and appointed public officials and their civilian co-conspirators are now facing criminal charges while 626 more are under probe by the PNP-CIDG for alleged anomalies in the pay-outs of the Social Amelioration Program (SAP).

"Habang patuloy ang pangalawang yugto ng pamimigay ng SAP, puspusan naman ang ating pagsasampa ng kaso laban sa mga tiwaling mga opisyal at ng kanilang mga kasabwat. Sobrang nakakadismaya na nagawa pa nilang mangurakot sa ayudang nakalaan para sa ating mga kababayan na lubhang apektado ng pandemya," said DILG Secretary Eduardo M. Año.

He said that of the 437 cases filed before the various Prosecutor's Office of the Department of Justice, 203

were elected public officials, including a Municipal Mayor, City/Municipal Councilors, Barangay Captains, Barangay Kagawads, SK Chairmen and SK Councilors.

Another 102 are barangay and city personnel, including Barangay Secretaries, Barangay Treasurers, Barangay Health Workers, Home Owner's Association Officers, Purok Leaders, City/Municipal Social Welfare and Development Officer, SAP Enumerators and Day Care Teachers while the remaining 132 were civilian co-conspirators.

The DILG earlier filed complaints against 50 barangay officials from among those currently being investigated with a prayer for their immediate preventive suspension.

The DILG Chief added that the majority of the cases filed were violations on Republic Act (RA) 3019 or An-

ti-Graft and Corrupt Practices Act; RA 11469 or Bayanihan Act; and RA 11332 or Law on Reporting of Communicable Diseases, among others.

"Ang laban natin sa korapsiyon ay kasing-tindi ng laban natin sa COVID-19, mahirap sugpuin pero hindi tayo susuko hanggang maparusahan ang mga tiwali," he said.

He lauded the efforts of the Philippine National Police-Criminal Investigation and Detection Group (PNP-CIDG) for vigorously investigating 336 SAP related-cases across the country.

Of the 336 cases, 240 were already filed with the Prosecutors Office, three are for case filing, six were endorsed to other agencies, 46 are under investigation or case build-up, and 41 were dismissed for lack of probable cause or insufficient evidence.

On a regional level, 50 cases were filed in Region

XII, 40 cases in Region VI, 33 cases in Region VII, 30 cases in Region IV-A, 26 cases in Region VIII, 24 cases in Region XI, and 21 cases in National Capital Region.

There are also 16 cases in Region V, 14 cases in Region 4B; 15 cases in Region I, 14 cases in Region II, 12 cases in Region 10; 12 cases in CARAGA, 10 in Cordillera Administrative Region; and two in Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

He acknowledged that a huge part of the success in going after these public officials are the members of the public who bravely filed complaints with the nearest PNP stations.

Año is confident that there will be lesser complaints on anomalies now that the second tranche of the SAP is distributed mostly through electronic means.

## TOP 2 MOST WANTED PERSON OF STA. CRUZ POLICE STATION 3 COLLARED IN CAVITE

With the arrest of Top 2 Most Wanted Person of Sta. Cruz Police Station 3, Manila Police District, PMGEN DEBOLD M SINAS, Chief, NCRPO congratulates the personnel of the station for their consistent manhunt operations being conducted to successfully serve Warrants of Arrest.

Accused was identified as WILFREDO LAYA JR. y DIMATULAC, 37 years old, male, married, jobless, resident of #438 Nepomuceno St., Quiapo, Manila.

The operation ensued after a confidential informant provided a tip regarding the whereabouts of the accused. Wasting no time, operatives proceeded in the area to verify the veracity of the report.

On August 21, 2020 at about 5:40 pm, elements of Station Intel/Warrant and Subpoena Branch PS-3 apprehended the accused inside Greenwoods Subdivision, Dasmariñas City, Cavite, who has been hiding for 15 years. He was arrested by virtue of Warrant of Arrest for the crime of Two (2) counts of MURDER with Criminal Case no. 05-240639-40 and Three (3) counts of ATTEMPTED MURDER with Criminal Case No. 05-240641-43 by Virtue of Warrant of Arrest issued by Hon. EDUARDO B PERALTA JR, Presiding Judge RTC Branch 17, Manila.

Suspect was brought to Jose R Reyes Medical Center for physical and medical examination and subsequently brought to Sta. Cruz Police Station for custody and booking procedures pending the return of his warrant.

"I am happy that our men continuously dedicate themselves in locating accused persons wherever they are. NCRPO will not halt in putting them behind the bars," said PMGEN SINAS.

# TESDA's TOTS project to benefit relocation site in Maragondon town

**TRECE MARTIRES CITY, Cavite (PIA) --** The Technical Education and Skills Development Authority (TESDA)-Cavite will launch the Turn-On-The-Sun (TOTS) project on August 28, 2020 in Maragondon town.

This is a five-day training for Basic Solar (off-grid) Lighting and Charging System for the benefit of the residents of Barangay Sta. Mercedes as well as identified personnel of the local National Police (PNP) and Armed Forces of the Philippines (AFP). Said training will not only provide additional skills for the learners but also working solar lighting and charging system for their personal use.

TESDA, being the PRLEC (Poverty Reduction, Livelihood and Employment Cluster) Chair in the national level, under the directive of President Rodrigo Duterte, aims to develop self-reliant, resilient and sustainable communities through harmonized and culturally responsive development programs.

The identified PRLEC priority barangay for the province of Cavite is Barangay Patungan which is now known as Barangay Sta. Mercedes in Maragondon, that was also a priority barangay under the National Intelligence Coordinating Agency (NICA) in 2019.

A land dispute between the residents and a private corporation caused the relocation of half of the residents with the relocation area lacking in electricity, thus the launching of TOTS project.

Likewise, partner agencies in the PRLEC, such as Cooperative Development Authority (CDA), Department of Science and Technology (DOST), and the Department of Trade and Industry (DTI) shall be providing training seminars for Cooperative organization and entrepreneurial skills, among others.
