"In 2021, out of the 52.62 million transactions we received, excluding inquiries, 43.52 million or 82.7 percent were made using our online channels," Regino said.

Currently, there are more than 30 member services and over 20 employer services that can conveniently be accessed through the My.SSS Portal. These services cover transactions for membership, contributions, loan granting and repayments, benefit disbursements, among others. Some of these services can also be accessed through other SSS online channels.

"Since the My.SSS Portal is our main online channel, almost all of the new online

services are made available here first. However, intensified efforts are also put towards making the services in this portal accessible in the SSS Mobile App for smartphone users, Regino added.

"We are gradually implementing mandatory online transactions for our programs. However, those without the personal means to transact with us online may use the e-Centers in our branches," he concluded.

# DENR, EMB IV-A gears up for solid waste and marine litter mgnt.

CALAMBA CITY, Laguna (PIA) — The Department of Environment and Natural Resources (DENR) CALABARZON joins the Environmental Management Bureau (EMB) CALABARZON in launching the National Plan of Action for the prevention, reduction, and management of Marine Litter (NPOA-ML) and the Environmental Summit last July 14, 2022.

EMB CALABARZON Regional Director Noemi Paranda emphasized that the regional launch of the NPOA-ML is the region’s contribution to the national effort in the prevention and reduction of waste at the source and an aim in curbing the problems of improper solid waste management, as well as air and water pollution.

Corazon Gasapos, Regional SWM Coordinator, meanwhile urges the national government agencies, local government units, and all partner organizations to step out of their comfort zones and join their effort in caring for the environment.

Gasapos believes in the importance of understanding the concepts of the NPOA-ML and other relevant policies to ensure its smooth and thorough implementation.

According to a study conducted by the World Bank Group in 2021, the Philippines is classified as the 3rd largest contributor to mismanaged plastic waste that ends up in waterways.

To further mitigate the solid waste problem, the Natural Solid Waste Management Commission issued last year Resolution No. 1441, moving the adoption of the National Plan of Action.

The NPOA-ML will be a collaborative effort from all the NGAs and LGUs concerned, and other stakeholders with the goal of raising the current efforts on waste management to further reduce waste and other marine litter issues in the country.

The goal of the NPOA-ML is to achieve “zero waste to Philippine waters by 2040”, with its vision being “A Philippine free of marine litter through shared responsibility, accountability, and participatory governance.”

During his speech, DENR Regional Executive Director Nilo Tamoria said that even though implementing agencies are already doing their part in implementing the law, he admitted that there is still a long way to go in solving solid and liquid waste problems.

“We are still faced with the looming problems of both solid and liquid waste. As we launch our NPOA-ML, let us use this as our guide in improving our responsiveness to marine litter that threatens our country’s waters.”

Tamoria added that initiating new and out-of-the-box initiatives and keeping the communities engaged may bring public participation and enthusiasm and positive behavioral change to the people.

“We know that the battle for SWM and marine litter is far from over, so we challenge you to be part of the change. Be your own environmental champions. — Christopher Hedreyda, PIA4A (with reports from DENR CALABARZON)

sa Barangay Chairman o Punong Barangay o authorized representative ng Barangay, o di kaya Certification mula sa Social Welfare and Development Office ng lokal na pamahalaan.

Para sa mga dependent ng mga manggagawang nawalan o mawawalan ng trabaho, kailangan na isumite ang alinman sa mga sumusunod:

Notice of Termination mula sa employer;  
DOLE RO’s Establishment Termination Report (ETR)

Certification of Displacement mula sa concerned barangay, municipal o city social worker development officer.

Ayon sa DOLE, ang orihinal na kopya ng mga dokumento ay kailangan din ipakita para sa beripikasyon ng PESO.

Dahil ang karamihan sa mga employer ay nagpapatupad ng SPES sa panahon ng summer vacation o katarupasan ng academic school year, ang mga aplikante ay pinapayuhan na mag-apply sa unang bahagi ng Enero o unang quarter ng taon.

## Magkano ang sahod na matatanggap ng isang SPES beneficiary?

Ang suweldo o sahod na kanilang matatanggap ay batay sa minimum wage sa lugar o applicable hiring rate. Ang 60 porsiyento ng sahod ay manggagaling sa employer habang ang 40 porsiyento ay subsidized at babayaran ng gobyerno sa pamamagitan ng DOLE.

Batay sa itinatakda ng RA 10917, depende sa income ng isang lokal na pamahalaan, maaari nitong akuin ang pagbabayad ng buong sahod ng mga benepisyaryo. Samantala, maaari namang itaas hanggang sa 75 porsiyento ang national government share para sa mga low-income municipalities.

Mula nang unang ipatupad ang SPES noong 1993, itinuturing na ito sa isa sa mga maganda at kapaki-pakinabang na mga programang pangkabataan ng pamahalaan kung saan ang mga estudyante at OSY ay nalalantad sa tunay na mundo ng trabaho.

Sa pamamagitan nito ay nalililang ang kanilang kasanayan at napapahusay ang kanilang kakayahan na mahalaga upang mapadali ang paghahanap nila ng trabaho matapos ang kanilang pag-aaral.

Batid ng programa na ang paghahasa sa kakayahan ng mga kabataan ay makakatulong upang magkaroon ng mas masigla at agresibong labor market ang bansa na isa sa mga batayan sa pag-unlad ng ekonomiya ng bansa. source:PIAGOVPH4A

cases returned “for further investigation.”

On the part of the prosecution, he observed that there seems to be a confusion on the quasi-judicial functions of the prosecutors. He said prosecutors’ quasi-judicial functions should not take precedence over their primary role to prosecute cases such that people who are guilty of
