Lucas explained that liaison police, or Tagapag-ugnay, will focus on the security of each candidate, especially during campaigns, ensuring that activities run smoothly and without incident.

The revitalized Oplan Katok, on the other hand, is another effort of PRO IV-A for the upcoming elections. It involves door-to-door visits to track down individuals illegally possessing firearms.

“For Oplan Katok, police officers visit the home addresses of individuals who haven’t renewed their firearms licenses. They will request the surrender of their firearms or assist in renewing them,” he explained.

Lucas also reminded the public that unregistered firearms will be considered loose firearms if these remain unrenewed after three notices and will then be subjected to confiscation.

As of April 6, 2025, according to a post on the Police Regional Office 4A Facebook page, PRO IV-A’s efforts against loose firearms have led to the arrest of 20 individuals and the confiscation of 55 firearms. (KA, PIA4A)

DepEd: Teachers’ 30-day flexible vacation set April 16 to June 1

By Stephanie Sevallano

MANILA – Teachers may enjoy their 30-day flexible and uninterrupted vacation between April 16 to June 1, the Department of Education (DepEd) said Monday.

Based on DepEd’s department order (DO) No. 9, series of 2025, public school teachers will be allowed to avail their vacation days either in a straight or staggered period.

In a statement, Education Secretary Sonny Angara expressed hope that the amended guidelines on vacation days will help motivate teachers for the upcoming academic year after school break.

“This break is a well-deserved opportunity for our learners and teachers to relax after a long academic year,” he

said.

“I hope they spend this time wisely, unwinding with their families and loved ones, and return to work energized for the new school year.”

The order is in line with the efforts of the administration of President Ferdinand R. Marcos Jr. to enhance the work-life balance of teachers.

Under DO 9, teachers are not required to participate in Performance Management Evaluation System (PMES) activities.

Submission of the Individual Performance Commitment and Review Form (IPCRF) may be done online by the end of the month of the school year 2025-2026, it added.

Teachers who will participate in profes-

sional development activities or other summer programs, which will be scheduled outside the declared vacation period, will also have additional Vacation Service Credits (VSC) on top of the 30-day vacation days.

The amended guidelines, likewise, cover Alternative Learning System (ALS) teachers and those involved in Arabic Language and Islamic Values Education (ALIVE); while learners who will undergo mandatory summer classes will have vacation outside the May 13 to June 6 period.

All public school teachers, meanwhile, must submit their intent or options for their 30-day break to school principals on or before April 16. source:(PNA)

Dengue Cases sa Lalawigan ng Cavite mula Enero 1 hanggang April 5, 2025

Sa inilabas na datos ng Provincial Epidemiology and Surveillance Unit, nakapagtala ng 4,813 kaso ng dengue sa Cavite ngayong taon.

Mas mataas ito ng 421% kumpara sa 923 kaso noong nakaraang taon.

Bagaman bumaba ang mga naitalang kaso sa lungsod ng Imus, maring pa ring inaabisuhan ang publiko na mag-ingat dahil mataas pa rin ang banta ng dengue sa kalusugan.

Hinihikayat din ng Pamahalaang Lungsod ng Imus ang mga Imuseño na maging kaisa sa laban kontra dengue dahil nagsisimula sa kani-kanilang mga tahanan ang pagkakaroon ng sapat na proteksyon mula sa sakit na ito.

Mag-5S kontra dengue:

- Say no to indiscriminate fogging o ang paggamit ng spray na nagpapaalis lamang sa mga lamok at hindi pumupuksa sa mga itlog at kitikiti.
- Self-protection measures sa pamamagitan ng pagsusuot ng mga mahahabang damit, light-colored na damit, at pagpahid ng mosquito repellent.
- Sustain hydration sa pamamagitan ng pag-inom ng sapat na tubig upang maiwasan ang dehydration na dulot ng lagnat o pagsusuka kung may sakit na dengue.
- Narito naman ang mga sintomas ng dengue:
 - Lagnat o trangkaso
 - Pagkahilo
 - Pagsusuka
 - Matinding sakit ng ulo
 - Pananakit ng ilalim ng mga mata
 - Pananakit ng mga kalamnan at kasu-kasuan

- Pananakit ng mga kulani at pamamantal
- Pagdurugo ng ilong o gilagid
- Dugo sa dumi.
- Narito rin ang ilang mga aksyong isinagawa ng Pama-halaang Lungsod ng Imus bilang tugon:
 - Pamamahagi ng long-lasting insecticide-treated nets sa lahat ng public school.
 - Regular na pagsasagawa ng residual spraying at misting sa mga paaralan at barangay sa Imus.
 - Pag-inspeksyon sa mga maaaring pamugaran ng mga lamok sa mga kabahayan.
 - Pagsasagawa ng mga cleanup drive sa mga barangay.
 - Regular na monitoring ng dengue cases na naitatala sa mga ospital sa Imus.
- Protektahan ang inyong pamilya at mag-ingat, Imuseño!
