DOH backs Senate move to expand zero balance billing to LGU hospitals

MANILA – The Department of Health (DOH) on Monday expressed support for a Senate amendment to the proposed 2026 national budget that provides funding for the expansion of the Zero Balance Billing (ZBB) program to hospitals owned by local government units (LGU).

"This will allow Filipinos to avail of zero balance billing not just at DOH hospitals, but even in level 3 (large) LGU-owned hospitals," the DOH said in a statement.

The agency emphasized that the move would widen access to affordable health services, particularly for indigent and financially vulnerable patients seeking care in major provincial and city hospitals.

Earlier, the DOH reported that 1,078,164 patients have already benefited from the zero-balance billing program in just four months after President Ferdinand R. Marcos Jr.'s last State of the Nation Address

Remulla: PBBM Orders End to Corruption, Walang Kaibigan, Walang Kakampi

Department of the Interior and Local Government Secretary Jonvic Remulla on Friday said President Ferdinand R. Marcos Jr. has given clear and uncompromising instructions to ensure that no one will be spared in the government's intensified campaign against corruption, amid ongoing investigations into alleged flood control ghost projects and budget insertions.

"Ka ilang an pong ang korapsyon, ayon kay PBBM, ay matapos na at matulukan sa panahong ito. Ang utes sa amin, walang kaibigan, walang kakampi. Kung sino ang makasalan ay siyang makukulong," Remulla said.

The DILG Chief acknowledged that enforcing this mandate has come with personal costs, including strained friendships built over many years.

Speaking during the 277th founding anniversary and 10th cityhood celebration of the City of General Trias in Cavite, Remulla stressed that the President's directive is firm and non-negotiable. All individuals involved, regardless of position or affiliation, will be in-

vestigated and held accountable.

"Napakahirap na tatawag ang mga kaibigan na hindi mo puwedeng sagutin ang

kanilang tawag at baka sabihin, 'tumawag na ako, ayos na.' Hindi po ganon ang utes ng Pangulo," he said.

Remulla also addressed criticisms directed at him and his brother, Ombudsman Jesus Crispin Remulla,

emphasizing that their shared commitment to justice and public accountability remains

He added that the coming week would be critical as developments in the investigation are expected to surface. "Abangan ninyo na lang," he said.

The DILG Sec-

retary underscored that the decisive reforms being implemented in Cavite, which have driven real progress

on the ground, should serve as a model for governance nationwide. He said the fight against corruption must be consistent, fearless,

and felt across all levels of government, in line with the President's vision of a government that works for the people./source: DILG

Under the program, patients do not pay for hospital services, including medical procedure, doctor's professional fee and medications.

As an alternative, the DOH also proposed with the government's commitment to strengthen the inclusion of a special provision under the Medical Assistance to Indigent and Financially Incapacitated Patients (MAFIP) to ensure that the bulk of the fund will be allocated for the expansion of zero balance billing coverage in LGU hospitals.

The DOH added that the move is aligned with the government's commitment to strengthen universal health care and reduce out-of-pocket expenses of patients nationwide. source: (PNA)

ries, highlighting the skill, creativity, and determination of Filipino youth on the global stage. Their success was the result of months of intense preparation, late-night practice sessions, and strong teamwork, all while balancing their academic responsibilities.

The Salty Bots Club brought home Gold, Silver, Bronze, Copper, and Merit awards in events such as iBeam, Beam Battle, and PLT, demonstrating Caviteño excellence in robotics and innovation.

The team credited their achievement to the support of generous sponsors and the dedicated guidance of their coaches—Ma'am Cyra, Ma'am Jhing, Ma'am Amy, Kuya Justin, and Sir Rolan—whose mentorship helped shape their technical and competitive skills.

More than just medals, the victory reflects the growing presence of Filipino talent in global technology competitions and inspires young Filipinos to pursue innovation. As they prepare for future challenges, the Salty Bots Club proudly carries a message of confidence and possibility: Filipino youth can compete—and excel—anywhere in the world.
