Barangay Solidarity during Pandemic for Safety of the People

Despite the storm we experienced these past few days, the second batch of Barangay Assemblies was successfully launched in the following barangays: Zapote 1, Zapote 2, Mambog 4, Salinas 4, Salinas 3, Agile 3, Real I, Salinas 1 and Mabolo 3.

The Department of Environment and Natural Resources (DENR) hailed the efforts of the city government of Manila to implement efficient solid waste management and to clean up Manila even at the height of Typhoon Ulysses.

DENR Undersecretary for Solid Waste Management and Local Government Units Concerns Benny D. Antiporda said Manila Mayor Francisco "Isko Moreno" Domagoso and his constituents deserve appreciation for their commitment to protecting the environment.

"We wish to thank all Manilaños led by Mayor Isko for their untiring efforts to manage solid waste disposal in the city and to sustain our Manila Bay rehabilitation efforts," Antiporda said.

Antiporda also recognized the Manila Department of Public Services-Team Mandaragat for its quick response and immediate action to clean up the historic bay before, during and in the aftermath of Typhoon Ulysses.

"We are very happy that the honorable mayor and the people of Manila have given prime importance to the care of the environment," said Antiporda.

The DENR official also thanked Domagoso for reminding his constituents that "typhoons underscore the consequences of improper waste disposal—floods and risk to people's lives—thus the need to care for the environment."

Aside from solid waste management and the bay cleanup, Manila has also embarked on various activities such as creating vertical and horizontal gardens and more open

spaces to improve air quality.

In his message during the flag-raising ceremony held at the Kartilya ng Katipunan Park in Manila last Monday (16 Nov.), Domagoso reiterated his call to all Manilaños to "clean all streets and waterways.

"Linisin natin ang ating lungsod. Ang kalsada dapat malinis; ang ilog o creek dapat hindi basurahan; ang dagat, hindi tapunan. Pagmalasakitan ang lahat ng kapaligiran," Domagoso said.

Antiporda commended Domagoso for "giving importance to cleaning and greening a big and highly-populated city like Manila."

"It is thus but fitting that we give back to the city to enable them to carry out this formidable task as our partners in environmental protection," Antiporda said.

The DENR donated 100 pieces of yellow trash bins for Manila's 100 barangays to help address their concern on the proper disposal of face masks, surgical gloves and other personal protective equipment considered as household health care waste. The trash bins will be used solely for these wastes.

"This is only an initial donation. Another 300 will be provided and a third batch will be coming until all the 800 barangays will have their own yellow trash bins to ensure that residents and businesses know where to throw these potentially infectious and contaminated COVID-19 related wastes," Antiporda said. The trash bins were turned over to Domagoso during the city's flag-raising ceremony. #

Ms. Bustamante, also the Focal Person of the Local Council for the Protection of Children (LCPC), is a proud apprentice of said leadership trainings.

During her guesting on the ELM FB Live, Ms. Bustamante explained that the programs and capacity building seminars for the youth and other activities lined-up for the entire month of November are all virtual- that is adaptive to the New Normal.

She enumerated the programs and activities to be expected in the coming days such as the Outstanding Kabataan Awards 2020 wherein 20 exemplary youth excelling in different fields will be awarded; the Imus Social Media Fest, a

The Youth Summit in particular is not limited to the city's youth leaders but is also for all youth leaders nationwide.

Aside from the above-mentioned activities, Bustamante also mentioned that the leaders and members of the SK Councils have been active in the repacking of relief goods distributed to the residents during the quarantine period and also instrumental for the marketing of the native delicacies made by the Senior Citizens for the "Kakanindahan" program in partnership with the Young Entrepreneurs Services (YES) Cooperative. Leptospirosis is endemic during the rainy season. Among its symptoms include high fever, muscle pain, eye redness, chills, severe headache, and yellowish skin discoloration.

"Kung kayo ay lumusong sa baha at nakakaranan sa isa sa sintomas, magpakonsulta agad sa pinakamalapit na health upang masiguro ang inyong kaligtasan sa anumang sakit."

"Huwag po nating balewalain ang sakit na leptospirosis dahil maari itong lumala at magdulot ng malubhang komplikasyon at inyong ikamatay," Janairo emphasized.

"If we have no business going outside of our homes, it is best to stay inside and be safe. Janairo caution residents of the provinces who were affected by massive flood waters brought about by the recent typhoons.

Revilla urges Senate to conduct inquiry to prevent massive floodings of typhoon affected areas

Senator Bong Revilla, Jr.

Senator Ramon Bong Revilla, Jr. filed PS Resolution 570 urging the appropriate Senate Committees to convene and inquire into the confluence of factors that led to the massive flooding of Luzon, with the end view of coming up with a comprehensive strategy to prevent its reoccurrence.

In a span of three weeks, five severe weather disturbances entered the Philippine Area of Responsibility (PAR) which has greatly affected low-lying areas in Luzon. According to the National Disaster Risk Reduction and Management Council's (NDRRMC) report, Typhoon Ulysses (international name Vamco) alone has displaced a total of 1,755,224 persons which is an equivalent of 428,657 families in 4,543 barangays in the affected areas in Regions I, II, III, CALABARZON, MIMAROPA, V, NCR, and CAR.

The five weather disturbances that has entered PAR, according to PAGASA, has caused Ipo, Ambuklao, Binga, and Magat dam in Luzon to reach critical water levels and has led to opening the gates of these dams. Although necessary, this decision has added to the volume of the flood in the low-lying areas near these dams.

"Alam naman natin taon-taon darating ang

mga pag-ulan. Nakita na natin kung ano nangyari. Dapat, hindi na ganito sa susunod," the lawmaker explained. "We must anticipate that the dams will release water, so dapat may mga naka in-place na infrastruktura tulad ng dadaluyan ng tubig at sasalo nito, para huwag rumagasa at manalanta ng mga kabahayan," he added.

Revilla believes that a comprehensive strategy and infrastructure development for the purpose should be undertaken immediately as the onslaught of Typhoon Rolly (international name Goni) in the province of Cavite, the destruction Typhoon Ulysses has brought to Marikina, Rizal, Cagayan and alike, are lessons enough.

With the convening of the appropriate Senate Committees, Revilla hopes to aid in the legislation of necessary actions that both the national and local governments need to undertake to prevent similar disasters in the future.

On November 13, Cong. Pidi Barzaga headed the investigation and ocular inspection of the collapsed building with the city officials.
