PEZA eyes 30 more ecozones in 2025

MANILA – Philippine Economic Zone Authority (PEZA) Director General Tereso Panga wants to double the number of registered economic zones next year.

In a year-end press briefing of the Department of Trade and Industry (DTI) over the weekend, Panga said PEZA is looking at additional 30 ecozones that can be proclaimed in 2025.

He said most of the developers are eyeing to put up ecozones in the Calabarzon and Central Luzon regions, and Cebu province, but

PEZA is also pushing for development in rural areas.

"We (would) like to see more ecozones being developed in Mindanao. So the ones that make a big push for these are agriculture. They are more into resource seeking type(s) of investments, agriculture including green ores," Panga said.

The PEZA chief said the investment promotion agency is also targeting more information technology parks outside metropolitan areas and to go to next wave cities and municipalities.

Panga said an investment to develop a 25-hectare ecozone amounted to around PHP1 billion to PHP2 billion.

"The challenge now is how we can provide for readily available areas so when we get investors inquiring on site selection. If you don't have land to offer them, especially economic zones, then easily like that, we lose them to other competitors in the region," he said.

DTI Secretary Ma. Cristina Roque said in the same briefing that her administration wants

“E-NIYOGgosyo: Enhancing Coconut Farmer’s Livelihood Through Integrated Organic Coconut Farming System.”

Ma tagumpay na isinagawa ng DA-ATI CALABARZON, sa pakikipagtulungan ng Southern Luzon State University-College of Agriculture, ang dalawang pangkat ng “E-NIYOGgosyo: Enhancing Coconut Farmer’s Livelihood Through Integrated Organic Coconut Farming System.”

Aktibong lumahok sa nasabing pag-sasanay ang pitumpung (70) kalahok mula sa

mga miyembro ng Sta. Rita Agriculture Cooperative, Padre Burgos Coconut Farmers Agriculture Cooperative, Samahan ng Magniniyog sa Walay Agriculture Cooperative, Unique Agriculture Cooperative, at San Vincent Coco Farmers Association.

Naging tagapagsalita sina G. Karl Niño D. Sis Perez, Engr. Dave Gulifardo, at Bb. Glemehille D. Maestro mula sa SLSU-College of Agriculture.

Sa pagtatapos, pinasalamatan ni Dr. Ro-

lando Maningas, Center Director ng DA-ATI CALABARZON, ang mga lumahok para sa isang produktibong araw at sa paglalaan ng kanilang oras sa nasabing gawain.

Layunin ng pag-sasanay na paunlarin ang kakayahan ng mga magsasaka sa mga kasanayan at kaalaman kaugnay sa integrated coconut-based farming system upang mapalawak at mapaunlad ang kanilang kasalukuyang kabuhayan mula sa pag-niniyugan.

goers, turning a spiritual gathering into an opportunity to unite and spread kindness.

Such event brought forth the true meaning of bayanihan, as it involved different officers sharing a variety of comforting Filipino favorites such as goto, arroz caldo, pancit, and puto to sustain morale among colleagues. It reminded everyone who experienced such that the PNP isn't just looking out for protecting the community but also nursing its soul through meaningful care actions.

This action shows that the Cavite PPO has been on a mission to forge stronger ties with the people, establishing an atmosphere of trust, compassion, and solidarity. Embracing the heart of public service continues to inspire hope and reminds them of their role as protectors and partners in building a harmonious and resilient community. Indeed, this is the heart of the season: giving, sharing, and uniting as one family.

PGC Empowers Farmers and Fisherfolks through Hito Fingerlings Distribution

In a continued effort to uplift the livelihoods of farmers and fisherfolks, the Provincial Government of Cavite, through the Office of the Provincial Agriculturist Fisheries Extension Services Section, distributed 20,000 Hito (catfish) fingerlings to 18 Cavite farmers and fisherfolks on December 18, 2024. The event, held at the OPA Administrative

Lobby aimed to reinforce the government's commitment to agricultural and fisheries development.

The program opened with a brief yet insightful lecture on Hito culture led by Aquaculturist II Sheryl P. Luna, joined by Ms. Leni Pin-san, owner of the MLEP Catfish Hatchery. The discussion provided prac-

tical guidance on raising Hito, ensuring beneficiaries are equipped with the knowledge to maximize their yields.

Aquaculturist II Edrich H. Caparas, together with OPA Administrative Officer V, Lourdes N. Janohan, facilitated the fingerling distribution. Beneficiaries expressed their gratitude, recognizing the initiative as a step

toward improving their income and livelihood opportunities.

The distribution program, born from the growing demand for Hito fingerlings, underscores the Provincial Government's dedication to providing sustainable solutions and resources for local farmers and fisherfolks. — R. Tanael

Pope Francis to Filipino community in Spain: The Church ‘is a warm and welcoming home’

VATICAN— Pope Francis welcomed members of a Filipino community living in Spain to the Vatican on Monday, reminding them that they have a home in every country where the Catholic Church is present.

“It is a great joy for me to welcome you to the house of St. Peter, to the home of the Church,” the pope shared with the Filipino delegation. “You have wanted to call your mission in Madrid: ‘Tahanan,’ a beautiful word that we can translate as ‘home.’”

On the occasion of the 25th anniversary of the parish of Immaculate Conception and St. Lorenzo Ruiz in Barcelona, Spain, the Holy Father told his listeners: “It is true that the Church wherever we go is a warm and welcoming home for us, and today Peter’s house is that home for you. Welcome!”

The Immaculate Conception and St. Lorenzo Ruiz Parish was established in 1999 to serve Filipino Catholics living and working in Barcelona. It is a personal parish connected to the Philippine Diocese of Imus.

Acknowledging the difficulties many migrants face when settling in new countries, the Holy Father told members of the Filipino diaspora living in Spain that Our Lady is close to them and not indifferent to their many needs and concerns.

“It is on these thorns that our Blessed Mother presents herself to us, so that we do not lose hope and are able to face problems, trusting in her protection and shelter,” the pope shared with the Barcelona parish representatives.

Turning to the example of St. Lorenzo Ruiz — patron saint of Filipino migrants, youth, and altar servers — the Holy Father said the saint represents a beautiful “integration of cultures” who is also an inspiring role model of faith and mission.

“His family, like that of Cardinal [Luis Antonio] Tagle, had Chinese and Filipino ancestry and, together with the Spanish who gave him faith, they created an excellent mix,” the pope said.

“Finally, upon reaching the land that should have welcomed him, God asked him to bear witness to his faith with the greatest proof of love, giving his life,” he added.

Toward the conclusion of the private audience held in the Apostolic Palace, the Holy Father also expressed his particular regard for Tagle, prefect of the Dicastery for Evangelization.

Tagle is also a member of several Vatican dicasteries including the Institutes of Consecrated Life and Societies of Apostolic Life, and Divine Worship and the Discipline of the Sacraments.

“Let us imitate [Ruiz and Tagle],” the Holy Father said. “Both had to leave their land, but both did so embracing Jesus. Trusting in him, both faced difficulties without ever losing hope and both are examples of a life dedicated to serving God in their brothers.”

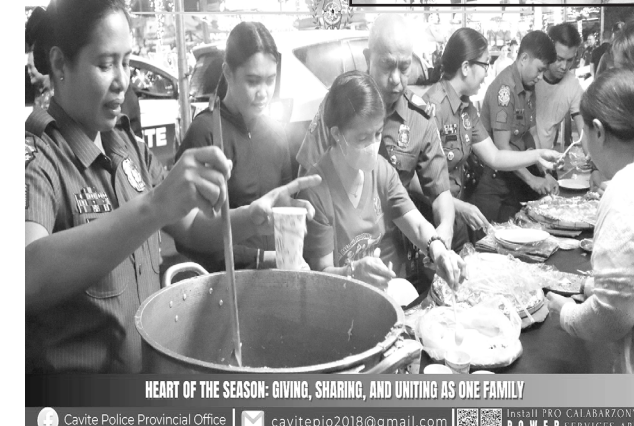

“In this way we will be able to build our ‘tahanan,’ that welcoming and warm home that, like a mother, must be our Church. May the Child God bless you and the Holy Virgin keep you always,” he said.

DTI, DOLE monitor sale, manufacture of fireworks

MANILA – The Department of Trade and Industry-Fair Trade Enforcement Bureau (DTI-FTEB) has intensified its monitoring of uncertified fireworks in preparation for the New Year festivities.

“For our part, we will conduct more intensified monitoring this season,” FTEB Director Gino Mallari said during a media forum in Makati City on Friday.

Mallari’s statement came in response to appeals from legal firecracker manufacturers for stricter enforcement against the sale of uncertified products, which they say impacts their livelihood.

“We can issue cease and desist orders for the manufacturers and then I believe there is a special law enforced by the PNP (Philippine National Police) with criminal aspect for violations,” he said.

He assured constant coordination with the PNP, particularly in gathering and sharing information on where the uncertified products might be found.

The DTI-FTEB is also working with local government units (LGUs) to enforce ordinances and designate areas for the display and sale of certified firecrackers.

Two weeks ago, DTI Secretary Cristina Aldeguer-Roque urged consumers to purchase only certified fireworks to guarantee safe and worry-free celebrations.

The Bureau of Philippine Standards has published a comprehensive list of certified fireworks on the DTI’s website.

On the part of the Department of Labor and Employment (DOLE), it reminded establishments in the pyrotechnics industry to strictly adhere to Occupational Safety and Health Standards.

Labor Advisory No. 15 issued Saturday states that companies must ensure

a safe and healthful workplace for all workers.

The DOLE directed all regional directors to monitor compliance of establishments and coordinate with national and local agencies for monitoring, including the PNP, LGUs and Bureau of Fire Protection.

The regional directors shall submit the list of establishments monitored to the Bureau of Working Conditions not later than Jan. 10, 2025. (PNA)

advance online booking, saying, "Mas maginhawa ang pagbiyahe kung mayroon tayong online booking system. Malaking tulong ito sa mga pasahero, lalo na sa mga panahon ng bakasyon."

Pimentel noted that while many bus companies have adopted online ticketing systems, there are still some that rely solely on over-the-counter transactions. Pimentel suggested that the Department of Transportation should explore the possibility of requiring on-line payment for terminal fees.

Makakatulong ito para maiwasan ang

mahabang pila sa mga counter ng terminal," he said.

The Senator reiterated the importance of addressing the needs of commuters, especially during peak travel seasons.

"Hangad natin na magkaroon ng mas maayos at maginhawang biyahe ang bawat Pilipino. Ang online booking ay isa sa mga paraan para makamit natin ito," Pimentel said.

"Ang online booking ay nagbibigay ng katiyakan sa mga pasahero na mayroon silang tiket at siguradong upuan sa bus," he concluded.

to integrate micro, small and medium enterprises (MSMEs) in the ecozone supply chain.

Roque urged MSMEs to look into opportunities of locating their operations within PEZA zones for them to avail of the incentives and partner with other ecozone locators.

“So, it’s something that we need to push aggressively to create awareness on what DTI has to offer to these MSMEs,” she said.

“We are very supportive of the plan on how to integrate more MSMEs into the ecozone value chain. To do that, we really have to support the creation of ecozones in the countryside. They go hand in hand with MSME development including in the countryside.”

This year, President Ferdinand R. Marcos Jr. proclaimed 16 additional ecozones. (PNA)
