# DOT IV-A gears for reopening of Calabarzon's tourism industry

CALAMBA CITY, Laguna (PIA) — As coronavirus restrictions further ease throughout the country, the Department of Tourism (DOT) IV-A has conducted an orientation in Laurel, Batangas, on April 11, 2022, which tackled the latest guidelines and protocols in reopening the tourism industry.

Over 300 tourism operators and local tourism officers within the region attended the orientation to hear about the guidelines on how to safely re-open their establishments and destinations.

The department has provided an overview of the processes of securing permits for tourism workers, compliance regulations for hotels on sanitation and disinfection, and other quarantine guidelines for visitors that will be found symptomatic of Covid-19.

DOT IV-A Officer-in-Charge Marites Castro is hopeful and positive that the economy will continue to bounce back, especially in the tourism industry.

"The economy has been slowly recovering, and the tourism industry has started opening its doors. With the new normal operations, the department has been consistently monitoring the health guidelines being implemented," Castro said.

The department will also strengthen its booster shot campaign for tourism workers to ensure their health and safety.

Meanwhile, Castro also gave a glimpse of the Green Corridor Initiative, a program that aims to highlight the cultural, arts and crafts, food, and other natural attractions and experiences that each province in Calabarzon has to offer.

The department expects the Lenten season would provide a speed bump to the industry.

According to Dir. Virgil Maguigad, DOT Director for Office of Tourism Standards and Regulations, they expect an outpour of visitors due to the region's proximity to Metro Manila.

The DOT has assured tourism operators that the department is ready to help market and promote their establishments as they see a big potential for Calabarzon to be a top tourist destination in the country.

Undersecretary Christopher Morales of DOT Tourism Regulations, Coordination and Resource Generation stressed the importance of continuous improvement within the tourism industry in the country for it to be more competitive with its ASEAN neighbor countries and with foreign visitors.

"Mag-develop pa tayo ng fun and safe destinations para maipag-malaki nating it's more fun and safe in the Philippines", Usec Morales adds. — Christopher He-dreya, PIA 4A

# 600,000 Caviteños get COVID-19 booster shots

**Pag-IBIG sa inyong lugar...soon!**  
 Isa sa mga bagong units ng mobile Pag-IBIG branch, ang Lingkod Pag-IBIG on Wheels ang na-send off ng mga Pag-IBIG officials today. Ang Lingkod Pag-IBIG on Wheels ang maglalapit ng Pag-IBIG services sa mas maraming miyembro, lalo na tuwing panahon ng kalamidad.

TRECE MAR-TIRES CITY, Cavite (PIA) — More than 600,000 residents in the province of Cavite have received booster shots for the coronavirus disease 2019 (COVID-19), giving them additional layer of protection against the disease.

Based on the data released by the Department of Health (DOH) Center for Health Development Calabarzon, at least 622,339 individuals received the additional Covid-19 vaccine. This accounts for 17.55% of the Cavite's 3.5 million target population.

Current figures also show that 79% or 2,796,943 individuals have been fully vaccinated, while 2,930,131 had already received at least one dose of the Covid-19 vaccine.

The DOH CHD Calabarzon further reports that 406,967 individuals from the pediatric population have already received complete doses of the vaccine.

The regional health department also reported that Covid-19 cases in Cavite significantly dropped as local government units further intensified their Covid-19 vaccination drives.

As of April 7, the towns of Noveleta, Carmona, Indang, Alfonso, Magallanes, Maragondon, Mendez, and Ternate recorded zero active cases for almost two weeks, while the remaining cities and municipalities logged less than ten active cases in their localities.

Despite the province's Covid-19 downward trend, Governor Jonvic Remulla still closely monitors the ongoing health crisis. He also urged his constituents to remain vigilant and prioritize health safety as the threat of the Covid-19 pandemic continues. — Ruel Francisco, PIA Cavite (with reports from Dennis Abrina)

## ACCOMPLISHMENTS, AWARDS AT PLATAPORMA NI MGBL

Ano nga ba ang mga accomplishments, awards, at platform ni Mayor Gemma Buendia Lubigan sa wala pang tatlong taong panunungkulan? (2019-2022)  
Makikita sa pang unang apat na mga litrato ang mga natanggap ng Trece Martires na national, regional, and provincial awards sa ilalim ng aking administration. Laman din nito ang mga naisakatuparan nating mga proyekto mula sa aking 2019 platform para sa aking unang termino. Ito ay hindi possible kung wala ang tulong ng mamamayan ng Trece Martires, at ang ating mga taxpayers! Hindi rin mawawala ang tulong ng masisipag nating mga konsehal, ni Vice Mayor Bobby Montehermoso, at ang effort ng iba pa nating officials, teams, volunteers, at supporters.  
ANO ANG PLATAPORMA KO NGAYON?  
Dahil sa maayos at successful na implementasyon ng aking mga naunang proyekto at programa, ang paggamit ng initials na G.E.M.M.A. ay itutuloy natin. Ito ay sumasagot sa mga isyung panlipunan, at nakatutok sa lahat ng sektor sa ating bayan tulad ng youth, women, health, education, economy, environment, etc.

## Walk-in vaccination para sa pediatric population, bubuksan ng Angono LGU

ANGONO, Rizal (PIA) — Maaari nang mapabakunahan ng mga magulang o guardian ang kanilang anak kahit pa walang schedule sa pamamagitan ng walk-in vaccination na bubuksan ng lokal na pamahalaan sa SM Angono Cinema sa darating na Huwebes, Abril 21.

Ayon sa Angono Public Information Office, mahigit 600 vaccination slots ang kanilang inilaan para sa mga kabilang sa pediatric population upang mas mapataas pa ang bilang ng mga bakunadong bata sa kanilang bayan.

Para sa mas mabilis na proseso ng pagpapabakuna, inabisuhan ng lokal na pamahalaan ang mga magulang na dalhin ang mga kaukulang dokumento tulad ng birth certificate at valid ID ng bata gayundin ang valid ID ng magulang o guardian na kasama sa araw ng bakunahan.

Kinakailangan naman ng medical clearance o certificate kung may comorbidity ang batang papabakunahan. Dagdag pa ng Angono PIO, upang masiguro ang kaligtasan ng mga bata ay hindi tatanggap ng authorization letter ang vaccination team kung kaya't hinihikayat ang mga magulang o guardian na kumuha muna ng barangay certificate o di kaya ay special power of attorney.

Kasabay naman nito ay magbibigay rin ang lokal na pamahalaan ng booster dose para sa mga mamamayan na kabilang sa iba't ibang prayoridad na grupo edad 18 taong gulang pataas.

Abiso ng pamahalaang lokal, kinakailangan na may tatlong buwan na pagitan buhat nang tumanggap ng ikalawang dose ng bakuna bago magpaturok para sa booster dose. — Maine Odong, PIA 4A

## Enterprise Forum held for Silang Tourism entrepreneurs

TRECE MARTIRES, Cavite (PIA) — The Provincial Tourism Office in partnership with the Department of Tourism (DOT) and the municipal government of Silang recently conducted a two-day on-line (via zoom) Tourism Enter-

prise Forum. The forum aimed to strengthen the campaign to support tourism development as it provides an avenue for tourism establishments in the locality to appreciate the value of tourism statistics and compliance to na-

tional standards certification.

The online training focused on basic statistics where the development of a systematic data gathering that will efficiently contribute to tourism indicators was discussed by DOT-OT-

DPRIM, Ms. Faeroe Jeanne Fontanilla.

Participants also enhance their understanding in measuring their performance as a tourism business enterprise, the importance of data compilation in local level and the implementation of the Basic Statistical System.

Meanwhile, DOT IV-A Accreditation Unit Head, Ms. Marites Ballester discussed the DOT Accreditation Standards and its process that gave a better understanding of the benefits derived from it.

Silang Municipal Tourism Officer Alexis Virata thanked the participants from different tourism establishments and pledged his support on behalf of the local government for tourism development in the municipality. (Ruel Francisco/with reports from Rochelle D. Bawalan, Tourism Operations Officer II)

Prospective bidders/buyers are hereby enjoined to investigate for themselves the title to the said property and encumbrances thereon, if any there be.
