Poblete responds to Cavite BM Anarna's proposal for 'ayuda'

SILANG, Cavite Aug (PIA) --Mayor Corie Poblete responded to Cavite Board Member Attorney Kevin Amutan Anarna's proposal for the welfare goods distribution for their constituents who are affected by the current MECQ status.

In a social media post, the Chief Executive admitted that her office has not received any letter from the official, and also agreed about the fund approved by the Sangguniang Bayan.

"Sa katunayan po, 50 milyong piso po ang naaprubahan ng Sanggunian. P25 milyon sa bakuna at P25 milyon sa mga welfare goods na naipamahagi simula Abril hanggang kasalukuyan na tuloy-tuloy ang pamamahagi sa panahon ng pandemya," said Poblete.

(In fact, P50 million was approved by the Council. P25 million for vaccines and P25 million welfare goods that is still being distributed distributed during the pandemic.)

PCOO improvement shows President **Duterte's support** for media in PH

MANII A - Pres-Communications Operations Office (PCOO) Secretary Martin Andanar on Monday said that President Rodrigo Roa Duterte fully supports the media in the country.

This is evident in the various programs and policies that the PCOO and its attached agencies have undertaken to improve the quality of information dissemination by upgrading its facilities, and implementing policies that have created a

more open government. "Natutuwa tavo na ang suporta ni Presidente Rodrigo Roa Duterte sa media ay 101 percent [We are happy with President Rodrigo Roa Duterte's 101 percent support to the media]," Secretary Andanar said during his virtual interview on Love Radio Baguio where he also mentioned the construction of a new building of the Philippine sa LGUs, ay makaka-ex-

Information Agency-Cordillera in Baguio City.

The said office is one of the four PIA buildings that will be built in the region. Secretary Andanai said that the PIA regional offices have been renting an office space for years.

The PIA will also build its office buildings in Tabuk City in Kalinga Province, Tuguegarao City in Cagayan, and Pagadian City in Zamboanga Del Sur.

He also noted the anticipated construction of another government media facility outside Metro Manila which is the Visavas Media Hub in Mandaue City, Cebu and a Government Communications Academy in

Secretary Manolo Fortich, Bukidnon "Ito ang kauna-unahang Government Communications Academy sa buong Pilipinas kung saan ang lahat ng ating information officers kasama yung

DISPARITY

In science, all facts, no matter how trivial or banal, enjoy democratic equality.

- Mary McCarthy, Political Activist

Sa graphic illustration po sa ibaba ay makikita natin ang breakdown ng populasyon sa CALABARZON (Region 4-A) at ang comparison ng kabuuan nito vs. the NATIONAL CAPITAL REGION (NCR).

Makikita rin po natin ang vaccine supply data NCR vs Region 4-A.

Sabihin na natin na ang epicenter ng pandemya ay talaga namang ang Metro Manila o NCR. Ngunit dahil kalapit ng NCR ang Cavite at Laguna, hindi maiiwasang kumalat din sa ating lalawigan ang malalang epekto ng COVID-19.

PROXIMITY

Karamihan sa ating mga residente ay naghahanapbuhay o malimit na napapadpad sa NCR. Kaya't hiling po sana natin sa Department of Health (Philippines) and on behalf of the Region 4-A LGUs, ay kung maaari bigyan naman po ng pansin ang kakulangan ng supply ng bakuna sa ating rehiyon.

CAVITE VS. THE WORLD

Sana rin ay maintindihan po ninyo na kaming mga LGUs ay all-hands-on-deck.

Sa laki ng suliranin natin, sa totoo lang ay wala na po kaming oras sa mga walang kwentang bagay. No time to argue with fools (paid trolls included).

We are doing everything we can for our own province, for our own people.

Sino ba dapat ang unahin nating ipaglaban kundi ang sariling kababayan?

But the fact remains we simply do not have enough vaccine support to fight this global pandemic.

I assure each and everyone of you that Cavite is purchasing its own vaccine supply. May budget na nakalaan. Pero hindi madali ang mabilisang pag-angkat ng bakuna.

NOTE: As of August 6, our supplier (American biotechnology company NOVAVAX) has applied for emergency use authorization of its COVID-19 vaccine in the Philippines. The FDA has yet to approve the application.

Ang NOVAVAX lamang ang siyang pinayagan ng DOH para makipag-nego at mag-supply sa mga LGU habang ang mga brands na ASTRA ZENECA, PFIZER at MODERNA ay tanging DOH lamang ang maaaring makipag-usap (meaning they do not entertain inquiries from us at the LGU level).

Ang vaccine procurement ay masalimuot na proseso. It is not a walk in the park. Bukod sa FDA emergency use authorization ay nakapila din tayo kasabay ang ilan pang mga bansang nangangailangan rin nito mula sa iba't-ibang parte ng mundo.

So allow me to humbly ask for your continued patience and understanding regarding our predicament. Bukas po ang aking comment section para sa mapayapa at makabuluhang diskusyon o dayalogo para sa ikabubuti ng buong lalawigan.
