City Government of Imus headed by Mayor Manny Maliksi recently distributed medical assistance to indigent Imuseños through the help of our City Social Welfare and Development Office and City Treasurer's Office.

A measure seeking to impose stiffer penalties on the exploitation and abuse of wildlife in the country has hurdled committee level at the House of Representatives.

According to a statement on Wednesday, the House committee on natural resources, chaired by Cavite Rep. Elpidio Barzaga Jr., approved the consolidated version of five bills calling for the conservation and protection of wildlife resources and their habitats.

The proposed law would replace Republic Act 9147 otherwise known as the Wildlife Resources

CAVITE REP. ELPIDIO BARZAGA JR.

## Bill on stiffer penalties for wildlife abuse hurdles House panel

Conservation and Protection Act enacted in 2001. Cagayan de Oro City Rep. Rufus Rodriguez said the measure prescribes longer prison terms and higher fines for those

who abuse the country's wildlife, especially endangered species. He said the country has a diverse variety of wildlife, including the famous Philippine tarsier,

tamaraw and Philippine eagle. "There are 133 terrestrial mammals, 230 birds, 244 reptiles, and 97 amphibian species, and 120 fishes that can be

found only here," he said. Rodriguez said the nation's flora and fauna and their habitats should be protected from overexploitation, destruction, frag-

Metro Manila will remain under general community quarantine (GCQ) from December 1 to 31, President Rodrigo Roa Duterte announced on Monday after approving the recommendation of the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) to retain the National Capital Region's quarantine classification.

Along with the NCR, Batangas, Iloilo City, Tacloban City, Lanao del Sur, Iligan City, Davao City, and Davao del Norte were also placed under GCQ. The rest of the country will be under modified general community quarantine (MGCQ) for the entire month of December. During his meet-

ing with President Duterte, Health Secretary Francisco Duque III said there is a downward trend in the number of COVID-19 cases in the country and the Department of Health (DOH), in coordination with other experts, is studying this new development. The goal, he said, is to guide the public and to

sustain the daily downward trajectory of COVID-19 infections. "At layunin din nito na malaman ang iba pang mga hakbang at mga interventions na maaaring maisagawa karagdagan sa ating mga minimum public health standards," Duque told the President.

## AN IMPORTANT REMINDER FROM DOH:

Tuloy ang Paskong Pinoy sa Pag-iingat ng Lahat!

To keep ourselves and our families out of COVID-19 harm this holiday season, the DOH encourages all Filipinos to diligently practice BIDA Solusyon behaviors of B-bawal walang mask, I-sanitize ang kamay, D-dumistansya ng isang metro and A-alam ang totoo.

As indicated in Department Circular 2020-0355 issued last Oct 26, 2020 entitled "Reiteration of the Minimum Public Health Standards for COVID-19 mitigation during the Holiday," the DOH further emphasized the following risk mitigating measures to make holiday celebrations and activities safer:

- \* Limit the number of people in the family and social gatherings and activities, preferably people within the same household.
- \* Avoid activities that require travel to areas with higher quarantine classification.
- \* Keep activities as short as possible.
- \* Observe BIDA especially when in activities that involve talking, shouting, heavy breathing or singing, which increases risk due to droplet transmission.
- \* Avoid sharing of items and high touch surfaces and ensure cleanliness of surroundings.
- \* Ensure proper ventilation in the venue and avoid air-conditioning settings which recirculate air.
- \* If sick, stay at home and avoid attending any gathering.
- \* If vulnerable, limit participation from social gatherings.

However, the DOH would like to stress that the safest means of celebrating will be through online participation or video teleconferencing. Tuloy ang Pasko para sa Pamilyang Pilipino. Together, let us all #BIDASolusyon sa COVID-19.

## DECEMBER ADVISORY

*"It's Christmas time,  
there's no need to be afraid  
At Christmas time,  
we let in light and banish the shade"*

- Lyrics from the song "Do They Know It's Christmas?" by Band Aid

I will confess something: I think I missed you all.

Sorry if I don't update much here on FB and we don't hear from each other. I continue to monitor the COVID situation in Cavite day and night.

### GOOD NEWS

1. According to our Provincial Surveillance Officer, Nov 30 is the lowest infection day rate in the province. Only six (6) cases are reported. Our average last month did not reach 20 per day. In comparison, our peak July-August hits 800 cases per day.
2. Our factory employees are almost 90 % back to work. This proves the traffic is back on our streets and making commuters suffer.
3. From Dec 1, liquor ban will be lifted in Cavite. There is no limit on time to buy and there is no limit on the purchase. But public consumption and intoxication is still illegal.
4. The mall hours are extended this December until 9 PM with the last customer in at 830 PM.
5. Minors can also go to the mall but must be with their parents. Mask and shield for kids apply.
6. The curfew is 10 PM to 4 AM. Except for those authorized under the IATF rules.

### BAD NEWS

1. cockfighters are still not allowed to operate. According to medical experts, cockfighting events are "super spreader" For me, opening schools is more of my priority than betting.
  2. Highway Patrol Group has special ops for overcrowded Provincial Buses. Many complaints are received in our office that's why we need a solution immediately.
  3. COVID outbreak is still high in NCR so double guard, double assistants continue.
  4. My Executive Order is strict that Christmas Party is prohibited in all branches or agencies of Cavite Provincial Government. If we want to lead honestly, we must first be an example to those we serve.
  5. Malaki ang posibilidad na magkaroon ng 2nd wave ang COVID sa Cavite. So pakiusap po sa lahat: PLEASE continue to do preventive measures such as washing your hands thoroughly with soap, wear a face mask and shield in public areas and practice social distancing.
- Beso Beso, dancing, party-party, fiesta mentality, boodle fights are still not allowed... especially hand-to-hand with people (the campaign is still long so stop it). As 2021 nears, I feel that the calvary of all of us is almost over. It's in our capacity, discipline and control to stop the spread of the pandemic. Please continue to take care of yourselves and look after each other. You... did you miss me? ☐

# Calabarzon's top fugitive killed in police op in Albay town

LEGAZPI CITY – The most wanted person in Region 4-A (Calabarzon) was killed on Saturday night in a shootout with policemen in Daraga town.

Capt. Dexter Panganiban, Albay police spokesperson, in an interview on Sunday said Rodel Llorera, 42, tagged as Southern Tagalog's most wanted person, resisted arrest by joint police and military operatives who were about to serve him a warrant of arrest at a residence in San

Ramon, a remote village of the town at around 9 p.m.

Arrested at the raid were Felimon Madridano, 33, a construction worker and Honeybee Boneo, 33, both residents of said place.

A police report said as he was being served the arrest warrant, the suspect drew his .45-caliber handgun and reached for a hand grenade, which led to a shootout. The suspect sustained multiple gunshot wounds that led to his instantaneous death.

Recovered from the crime scene were a .45- caliber pistol with seven bullets, a grenade, and personal belongings.

Madridano was arrested for illegal possession of a .38-caliber pistol, while Boneo was arrested for harboring a criminal, knowing that the suspect was a wanted person.

Meanwhile, at least PHP286 million worth of illegal drugs seized in separate drug stings in Bicol were burned on Friday at an incinerator facility in Camalig, Albay province, a report from the Philippine Drug Enforcement Agency (PDEA) in the region said on Sunday.

Cotton Talento,

PDEA-Bicol spokesperson, said 42 kilos of shabu and nine kilos of marijuana were burned through thermal destruction at the Goodfound Cement Corporation Kiln incinerator facility in Barangay Palanog.

Talento, in an interview, said the burning of the seized illegal drugs was in compliance with the recent agency directive to destroy all the seized illegal drugs that had been approved by the court for destruction either because the cases had been decided or the judge had allowed it, or the substance was recovered or surrendered with no pending cases and no persons arrested.

The destruction of dangerous drugs is pursuant to the mandate of Section 21 of Republic Act 9165, the Comprehensive Dangerous Drugs Act of 2002.

The ceremony was graced by Timoteo A. Panga Jr, executive judge of Regional Trial Court Branch 60 in Iriga City, Camarines Sur. He encouraged all drug courts in the Bicol region to fast-track cases and issue orders for immediate destruction of illegal drugs once cases are terminated. (source:PNA)

And as the country gears toward the holidays, Duque said the government has been preparing the country's health facilities in case there's a post-holiday surge. He reminded the public not to be complacent.

The Health chief also asked the assistance of national government agencies and local government units (LGUs) in encouraging the public to observe the minimum health standards this holiday season.

He advised people to stay away from large crowds and gatherings to avoid contracting the virus, and celebrate Christmas only with their immediate family members.

Duque said the DOH is also strictly implementing the Joint Administrative Order No. 2020-001: "Guidelines on the Proper Use and Promotion of Active Transport During an After the COVID-19 Pandemic".

The order calls for setting up of safe networks or cycling and walking paths that the public can use as an alternative to public transportation.

"Patuloy ang kooperasyon ng DOH, ang DOTr, ang DILG, at DPWH upang masiguro ang pagkakaroon ng mga ligtas na networks na ito para po sa kapakanan ng ating commuting public," he said.

As of Monday, the country recorded 1,773 new COVID-19 cases, putting the total number of cases at 431,630, Duque reported.
