PGC recognizes Top-performing offices and frontliners for outstanding public service in celebration of Ease of Doing Business Month

In line with Presidential Proclamation No. 818, declaring May as Ease of Doing Business (EODB) Month, the Provincial Government of Cavite (PGC) proudly honored its top-performing offices and frontliners for their exceptional commitment to fast, transparent, and people-first public service on May 19, 2025 at the Function Hall of the New Provincial Capitol Building in Trece Martires City.

Carrying the theme "From Red Tape to Red Carpet: Better Business Movement in a Bagong Pilipinas," this year's celebration is a testament to the dedication of individuals and departments who continuously transform challenges into innovative solutions and bureaucratic processes into efficient services.

Governor Athena Bryana D. Tolentino personally led the recognition ceremony right after the PGC flag-raising ceremony. In her message, the Governor extended her heartfelt congratulations to all the awardees, expressing her delight that many employees have been recognized for their outstanding performance and dedication. She also emphasized that the core of public service lies in a unified mission – that is to serve for the betterment of fellow Caviteños and the province.

Leading the roster of recognized offices is the Office of the Provincial Veterinarian (OPV) with an impressive 2,584 commendations, a reflection of their unwavering dedication to animal welfare and public health. The Provincial Information and Communications Technology Office (PICTO) followed with 257 commendations, highlighting their crucial role in advancing digital governance and transparency.

The Office of the Provincial Governor (OPG) ranked third with 230 commendations, a nod to their continued efforts in steering impactful governance. Completing the Top 5 are Kawit Kalayaan Hospital, which garnered 70 commendations, and two offices tied in fifth place—Office of the Provincial Planning and Development Coordinator (OPPDC) and Doña Olivia Salamanca Memorial Hospital, each earned 15 commendations.

On the other hand, this year's most commended frontliners have demonstrated exemplary service and compassion, inspiring their peers across the provincial government. At the top of the list is Dr. Kristine Roraldo from the OPV with a remarkable 1,145 commendations, followed by Dr. Gladys Credo with 973 commendations, and Dr. Gerry Romen with 357 commendations, all of whom play critical roles in animal and public health services.

From PICTO, Mr. Frederick Sayoc and Ms. Maria Isidra Bergunder received 88 and 87 commendations, respectively, for their outstanding service in ensuring seamless digital solutions, while Ms. Diwani Durano (30 commendations) and Ms. Maria Arianna Camille Dela Cruz (29 commendations) were likewise recognized for their dedicated support.

From OPG, Ms. Tricia May Lorio, Ms. Rachel Mae Morancil and Ms. Mary Joy Alano earned 48, 47 and 27 commendations, respectively, for their consistent delivery of responsive public service.

Awardees were identified based on the Client Satisfaction Survey Report for the year 2024 derived through the Client Feedback Mechanism of the PGC which covers 38 offices. Under the mechanism, the Customer Satisfaction Survey Form serves as a survey tool to appraise the services received by clients while Customer Commendation Form evaluates the personnel who rendered the service by providing specific commendation. The feedback mechanism

not only caters to commendation but also facilitates complaints, should there be any dissatisfaction emanating from the clients during their transaction in any office of the provincial government.

The recognition ceremony highlights the provincial government's ongoing mission to institutionalize ease of doing business, improve frontline services, and build a Bagong Pilipinas that prioritizes the welfare of every Caviteño.--- OPIO

NAST PHL, DOST Calabarzon conduct 2025 Luzon Regional Scientific Meeting

The National Academy of Science and Technology, Philippines (NAST PHL) and the Department of Science and Technology (DOST) Calabarzon organized the 2025 Luzon Regional Scientific Meetings (RSMs) in Alfonso, Cavite with the aim of bringing science closer to the Filipino people on Tuesday, May 20.

With this year's theme "Bioscience Innovations: Transforming Enterprise Ecosystems for Wealth Creation", it underscores the critical role that bioscience innovations play in addressing community needs, fostering

resilience, and driving sustainable economic development to more progressive communities in the country.

Meanwhile,

Quezon Province Governor Dra. Angelina 'Helen' Tan who served as the keynote speaker expressed her confidence that the initiatives dis-

cussed at the RSM will make enormous contribution in cascading and laying out strategies in attaining development

Philippine Ambassador to the State of Qatar, His Excellency Mardomel Celo D. Melicor, said the conduct of the town hall meeting aligns with the Embassy's mission of bringing Philippine government services closer to Filipinos in Qatar.

Meanwhile, in Antipolo City, stocks of P20 rice were quickly sold out, reflecting high demand and strong community support for the initiative.

Antipolo City Mayor Andeng Ynares also underscored the local government's full support for the “Bente Bigas, Meron Na!” program, which she said aligns with efforts to make rice more accessible to the general public.

Other LGUs participating in this initiative are Naic in Cavite; and Rodriguez, and Binangonan in Rizal, which are scheduled to sell the affordable rice every Thursday and Friday at designated Kadiwa Centers.

Meanwhile, Kadiwa Centers in Kalayaan in Laguna; and San Mateo, Rizal will offer the subsidized rice every Friday.

The “Bente Bigas, Meron Na!” initiative is part of the Marcos administration's broader commitment to ensuring food affordability and strengthening local food systems under the Bagong Pilipinas governance agenda. (PB, PIA4A)

PhilHealth launches first university setup of Konsulta program

QUEZON CITY (PIA) — The University of the Philippines (UP) Diliman Health Service is now an accredited Konsulta Package Provider (KPP) under the Philippine Health Insurance Corporation (PhilHealth).

This marks the

pilot accreditation of a health service in a university setup in Metro Manila with the goal of bringing free access to primary care health services closer to students, teachers, and non-teaching school personnel.

The Konsul-

ta program, formally known as the Konsultasyong Sulit at Tama benefit package, provides immediate access to essential primary care services, including medical consultations, health profiling, laboratory tests, and prescription

of medicines.

With a student population of over 28,000 and 6,000 teaching and non-teaching personnel, this landmark partnership will help foster a healthier learning environment by directly addressing potential

health barriers that could affect the academic performance of students as well as the well-being of teachers and other school personnel.

UP Health Service Deputy Director Dr. Oliva Salvador-Basuel welcomed this collaboration, underscoring the importance of preventive health measures in ensuring the effective delivery of education.

"We would like to encourage students and enjoin them to register because UP Health Service is now an accredited PhilHealth Konsulta Package Provider. This is a huge help to our university and the UP Health Service, not only to students but to everyone in the school community," said Salva-

dor-Basuel.

For her part, PhilHealth Regional Office NCR and Rizal Vice President Dr. Bernadette Lico cited the ongoing efforts of the corporation in broadening the reach and accessibility of PhilHealth's Universal Health Care (UHC) initiatives to more Filipinos.

"This accreditation marks a significant step in strengthening public health systems within state universities and colleges. It reaffirms PhilHealth's commitment to providing accessible, quality healthcare for all Filipinos, especially within our public institutions where support is most needed," said Lico.

"With this partnership, UP Diliman solidifies its role as not only an academic hub but also a model for integrated health services in the region," she added.

'Benteng Bigas Meron Na' rolls out in Calabarzon

CALAMBA CITY, Laguna (PIA) — Vulnerable sectors in various parts of Cavite, Laguna, and Rizal were able to purchase rice at just P20 per kilo through the Department of Agriculture's "Benten Bigas, Meron Na" program.

In Dasmariñas City, residents of Barangay Salitran III expressed their gratitude to President Ferdinand R. Marcos Jr. for fulfilling his promise to make rice more affordable for the public.

"Maraming salamat po

kay Pangulong Bongbong Marcos sa pag-sasakatuparan ninyo ng pangakong gawing bente pesos ang presyo ng bigas. Sana po ay laging may ganito dahil malaki po talaga ang maitutulong nito sa amin," said Bella Mane-

ses, who lined up early to avail of the discounted rice.

Maneses added that the low-cost rice is a big help to her family, especially amid the rising prices of basic goods.
