DOH LAUDS THE PASSAGE OF THE CANCER CONTROL LAW

The Department of Health (DOH) commends the enactment into law of Republic Act 11215 or the National Integrated Cancer Control Act on February 14 which seeks to implement a national framework to combat cancer.

The new law "shall adopt an integrated and comprehensive approach to health development which includes the strengthening of integra-

tive, multidisciplinary, patient, and family centered cancer control policies, programs, systems, interventions and services at all levels of the existing health care delivery system."

Aside from the establishment of the program, the measure is also aimed at decreasing the incidence and deaths from preventable cancer in adults

and children. There will be focus on preventing cancer recurrence and secondary cancer among survivors and people living with cancer, making cancer treatment and care affordable and accessible, and supporting the recovery and reintegration to society of cancer survivors, among others.

President Duterte attends 2019 LMP General Assembly

President Rodrigo Roa Duterte delivers his speech during the General Assembly of the League of Municipalities of the Philippines held at the Manila Hotel in Manila on February 26, 2019. SIMEON CELI/PRESIDENTIAL PHOTO

MANILA — President Rodrigo Roa Duterte on Tuesday, February 26, graced the League of Municipalities of the Philippines General Assembly 2019 at the Fiesta Pavilion, Manila Hotel.

In his remarks, President Duterte called on all the municipal mayors at the assembly to work together with the national government, reassuring them that he would protect them if they get into trouble.

“Magtutungan tayo. ‘Pag napasubo kayo performing your duty as Mayor... Ito totoo ‘to, if you commit

something...the other agencies may characterize it as a crime but if you do it in accordance with the law... Ako, I cannot promise you all for General Año, he has his own mind, pero sa akin kung mapasubo ka, tutulungan kita,” President Duterte said.

“You can explain it clearly to us. We would always be on your side and I will defend you. No problem sa akin. Just do your duty,” he added.

The Chief Executive, on the other hand, warned mayors who may have been involved in the illegal drug trade, particularly shabu, to stop their unlawful businesses.

He then reiterated his warning to hunt them down in the last three years of his term.

“This is my message that I would want you to just re-echo, maybe when you go home. The last three years of my term ngayon would be the most dan-

gerous years for people who are into shabu,” President Duterte said.

Crafting a new deal for the Moro National Liberation Front

During his speech, the President shared his meeting with Moro National Liberation Front (MNLF) Chairman Nur Misuari on February 25 in Malacañang. According to President Duterte, their meeting intended to boost peace efforts in Mindanao.

“He [Misuari] saw me last night. He was not allowed by the court to go out because he has pending charges when he was armed. So I had to make some arrangements. Sabi ko, this is a personal request of me, which I do not do at any time, at any other time. Sabi ko, papasukin — ah palabasin ninyo,” he said.

“So he went to see me last night. Whenever we see...we embrace each other because I consider him a brother. Tapos sabi niya, ‘papuntahin mo lang ako, babalik ako.’ Sabi ko, ‘Fine. You have done that several times. You can go.’ So nag-courtesy call siya tapos umalis siya,” he added.

In their meeting, albeit short, he said the government decided to create a new deal for the MNLF.

“Kaya sabi ko itong kay Nur, areglo tayo dito. Sabi ni Nur, he is willing to talk, and he has waited this long for me to make a decisive decision when he comes back. Nandoon man sila kagabi dalawa [Año, Lorenzana]. Sabi ko, ‘time for us to craft a new deal for the MNLF of Misuari,’” he said.

The President also said that he assigned Interior Secretary Eduardo Año, Defense Secretary Delfin Lorenzana, and Office of the Presidential Adviser on the Peace Process Secretary Carlito Galvez Jr. to craft the deal with MNLF.

He stated that Misuari had no intention to fight against the government, but rather negotiate and have talks. The President acknowledges the significance of MNLF to promote lasting peace in Mindanao, and he is always trying his best to fulfill this promise to the people.

“Iyan, kailangan pa natin ‘yan. And...but they are revolutions driven with territorial intentions or objectives. Ngayon, kung naplantsa mo ‘yan and we are able to talk to them, you must understand Philippine history and the core of what ails this country,” the President noted. ###PND

Do You Find Hard To Sleep At Night? This Could Be The Reason

Insomnia has a really significant impact on millions of people worldwide. We've long known there's a link between insomnia and chronic disease.

Finding it hard to sleep at night? If so, blame your genes, say researchers, who identified 57 genes associated with symptoms of insomnia, affecting 10 to 20 per cent people worldwide.

"Our findings confirm a role for genetics in insomnia symptoms and expand upon the four previously found gene loci for this condition," said lead author Jacqueline M. Lane from Massachusetts General Hospital (MGH).

"All of these identified regions help us understand why some people get insomnia, which pathways and systems are affected, and point to possible new therapeutic targets."

The study, published in the Nature Genetics journal, associated 57 gene sites with self-reported insomnia, associations that were not affected by known risk factors such as lifestyle, caffeine consumption, depression or recent stress.

March is Fire Prevention Month. Kicking off the month's activities was a motorcade participated in by the BFP, DILG, BDRMO, BJMP, and Liga ng mga Barangay as a reminder to Bacoorenos about the importance of fire safety.

Bacoor City Mayor Lani Mercado Revilla likewise lauded the Memorandum of Agreement between the Bureau of Fire Protection-Bacoor City Fire Station and the Liga ng mga Barangay. Under Oplan Ligtas na Pamayanan, BFP-Bacoor and Liga ng mga Barangay will work towards increasing the number of trained and organized communities which could be partners in fire protection efforts, decreasing the occurrence of fires in the most vulnerable parts of communities, and encouraging communities to develop a Community Fire Protection Plan.

As part of the agreement, BFP-Bacoor will conduct regular neighborhood-based fire protection activities and organize the training of Community Fire Auxiliary Group and Fire Safety teams.

CALABARZON...FROM PAGE 6

ence, Calabarzon local chief executives, line agency regional directors, military and police top brass said the joint resolution aims to ensure effective and efficient implementation of Executive Order 70 signed by President Rodrigo Duterte.

EO 70 institutionalizes the “Whole-of-Nation Approach” in attaining inclusive and sustainable peace and creates a National Task Force to End Local Communist Armed Conflict.

Calabarzon is composed of the provinces of Cavite, Laguna, Batangas, Rizal and Quezon.

The Presidential directive, signed last Dec. 4, has ordered the adoption of a National Peace Framework, which paves the way for the creation of the Calabarzon Regional Task Force to provide a more comprehensive orchestration of related peace efforts and initiatives through a convergence of national agencies and LGUs, military, police and various sectors of the civil society organizations.

In the Calabarzon, the task force is formed to address issues and concerns of Geographically Isolated and Disadvantaged Areas (GIDAs) by creating clusters patterned after the National Task Force to focus on specific issues.

Batangas Gov. Hermilando Mandanas, chair of the RDC-Calabarzon, Cavite Gov. Jesus Crispin Remulla, chair of the RPOC-Calabarzon, the respective member-officials of the highest regional policy-making body, including Maj. Gen. Rhoderick Parayno, 2nd Infantry Division (2ID) commander and

Batangas Gov. Hermilando Mandanas

concurrent Joint Task Force Katagalugan head, and police officials signed the joint resolution.

The official signatories also led other participants in the signing of the Commitment Wall affirming their pledge of support to “the Regional Task Force Calabarzon that will spearhead and provide directions in the fulfillment of the regional peace framework.”

Other signatories included National Security Adviser Secretary Hermogenes C. Esperon Jr. represented by National Security Council (NSC) Deputy Director General Maj. Gen. Damian L. Carlos; Secretary Jose Maria Nocomedes Heranndez, Presidential Adviser for Southern Tagalog; Maj. Gen. Gilbert L. Gapay, commander of the Southern Luzon Command (Solcom) Police Director Ericson T. Velasquez of the Directorate for Integrated Police Operations for Southern Luzon; and NEDA IV-A Regional Director Luis Banua.

The Calabarzon officials also vowed to participate in localized peace engagements and interventions that will bring inclusive and sustainable peace

and address the root causes of insurgencies, internal disturbances, tensions and other armed conflict in identified areas.

Remulla said Cavite province is now insurgency-free, sharing his formula that there should not be an isolated area in the fast-growing and densely-populated province, as both national and local government services should reach the grassroots level.

“Kami sa Cavite, dapat walang naaping kapwa at kailangan napaglilingkuran ang mga mamayan (We, in Cavite, ensure no one is oppressed and local government services should be accessible to them),” Remulla told the media.

He also said there is no revolutionary tax or extortion by the New People’s Army (NPA) as they no longer exist in Cavite.

Velasquez, meanwhile, confirmed that one root cause of insurgency is dissatisfaction in government services, noting that good governance should ensure that no one is left behind in the mandated services of the concerned government agencies.

He also cited finding the link on the necessary government intervention programs to ensure government agencies are in a convergence to address pressing issues besetting constituents.

Hernandez, on the other hand, said their Presidential Southern Tagalog office is monitoring issues and concerns affecting the region.

“Wala na silang (NPA) ideology at ang ginagawa na lamang nila sa affected areas ay (They no longer have ideology and what they are doing right now in the affected areas are) criminality, extortion and terrorism,” Hernandez said. (PNA)
