NEGOSYO 15

Isa sa mga proyekto ng Pamahalaang Lungsod ng Bacoor sa pagdiriwang ng 8th Cityhood Anniversary ay ang Massive Rapid Testing sa hanay ng ating mga Barangay Frontliners. Matapos ang 4 na araw ng testing, bukas ay ibabahagi na natin sa publiko ang mga resulta nito.

Abangan ang aming Press Conference sa Sabado, June 27, sa ganap na alas-10 ng umaga. Mapapanood ito sa ating Facebook official Pages: City Government of Bacoor at Lani M. Revilla.

Ang massive rapid testing na ito ay hatid sa atin ng PROJECT ARK sa pangunguna ng Go Negosyo kasama ang mga donors: LBC Express at Wilcon Depot.

90% ng namatay sa COVID-19 sa Cavite, mga hsenior citizens

LUNGSOD NG CALAMBA, Laguna (PIA) --Inihayag ni Cavite Gov. Jonvic Remulla sa kanyang FB post noong Hunyo 24 na karamihan sa mga namatay dahil sa COVID-19 sa Lalawigan ng Cavite ay mga senior citizens.

"90% ng COVID cases na namatay sa Cavite ay senior citizens. Pasensya na po sa mga matatanda pero kahit malakas pa po kayo, ang numero o data ay hindi ninyo kakampi at lalong hindi sang-ayon sa paglabas ninyo. Kailangan pa rin ng mas lalong pag-iingat at patuloy na stay home protocol sa mga edad 60 pataas," pahayag ni Gov. Remulla.

Ang pahayag ni Cavite Governor Jonvic Remulla ay bahagi ng kanyang pag-uulat tungkol

CAVITEX, PRA EXTEND SERVICES TO PEOPLE THRU CORPORATE INITIATIVES

BACOOR CITY, Cavite (PIA) -- The Cavtex Infrastructure Corporation (CIC) and joint partner Philippine Reclamation Authority (PRA) coordinated its efforts to extend assistance to their countrymen especially during COVID-19 pandemic.

With the aim to provide continuous, smooth passage to fast-track emergency response, a complimentary passage on the toll roads was extended to medical practitioners and to the Department of Transportation (DoTr) buses used to transport healthcare workers.

Likewise, RFID stickers were given to ambulances and other emergency vehicles of the local government units and host barangays along the expressways.

CATHOLIC SCHOOLS ASK GOV'T TO INCLUDE EMPLOYEES IN SAP CASH AID

Catholic schools in Metro Manila are appealing to include their personnel as beneficiaries of the government's cash aid program amid the coronavirus crisis.

The Catholic Educational Association of the Philippine – National Capital

Region (CEAP NCR) said the downtrend enrollment brought by the pandemic has affected their finances.

The appeal was contained in a letter dated June 20 to Senator Sherwin Gatchalian, chairman of the Senate's basic education

committee.

"Our meager savings are fast depleting and in no time could no longer sustain the needs of our personnel," the letter read.

The schools stressed that their operations are totally dependent on the tuition and fees of our students.

But the pandemic, they added, has affect-

Masustansya at mayaman sa protina, bitamina, at mineral ang gatas ng kalabaw.

Ginagamit din ito sa paggawa ng iba pang mga produkto tulad ng yogurt, kesong puti, pastilyas, at sa sikat ngayong milk tea.

Para sa mga lumaki sa gatas ng kalabaw, higit na

mas malinamnam daw at mas makrema ang carabao's milk kumpara sa mas nakasanayan na cow's milk.

Sa mga naghahanap pa rin ng pampalusog na inuming ito, lalo na sa mga taga Metro Manila, alam mo ba na may nagtitinda pa rin ng sariwang gatas ng kalabaw na matatagpuan sa Lungsod ng

ed many sectors in various ways, especially their finances.

"Private schools employees were not spared from this dilemma," they said.

The schools particularly sought the help of Sen. Gatchalian to include their personnel in the government's second tranche of cash aid under the Social Amelioration Program (SAP).

CEAP is an association of more than 1,500 Catholic schools nationwide. In NCR, it has about 171 member schools with more than 30,000 employees.

DEPED: NO 'ONE-SIZE FITS ALL' SOLUTION IN LEARNING AMID HEALTH CRISIS

The Department of Education (DepEd) today emphasized that there is no "one-size fits all" solution in implementing education and learning amid the COVID-19 health crisis.

"Walang one-size fits all dahil iba't iba ang kanilang sitwasyon sa mga rehiyon. Yung iba mayroon connectivity, radio, at television pero yung iba wala lahat," DepEd Secretary Leonor Briones said during Tuesday's edition of the Lagging Handa Public Briefing.

She cited that there are different approaches in students' learning in various regions in the country.

"Bawat rehiyon

iba't iba ang implemtation kaya sinusurvey kung ilan mga bata ang may cellphone o may connectivity ba sila o wala," Briones said.

She added there are ways to learn that does need face-to-face interaction in schools, following President Rodrigo Duterte's call to postpone any physical learning until COVID-19 vaccine is discovered.

The DepEd chief said that printed materials will be distributed house-to-house to children and parents through the help of the local government unit.

"Itong hardcopy o mga printed na materyales ng modules ay idediliver para sa walang access, connectivity, ra-

dio, tv o cellphone," Briones added.

In partnership with the Presidential Communications Operations Office (PCOO), the DepEd also pushes for educational TV programs and radio-based instructions particularly to students with no online access to learning materials.

"Para sa walang internet at sa walang paraan para macontact ang teacher, nandyan ang telebisyon at radio-based instructions," Briones said.

For students with internet access, the DepEd Commons website can be accessed by students and teachers where online learning resources are available.

"Ang DepEd Commons na kung saan more than 8 million na yung subscribers nandoon ang curriculum lessons na puwede makuha online para sa may mga connection sa internet," Briones said.

Meanwhile, the DepEd reiterated that the opening of classes will start on August 24, 2020 but some private schools affiliated with universities and state colleges have the leeway to start classes in September 2020.

"Sa tulong nng local government at sa tulong nga ating communications system, makapagdevise tayo kung paano ang pinakamabisang paraan na maturuan ang mga bata," Briones said. FRM:(PIA-NCR)

FEATURE

Nakatikim ka na ba ng gatas ng kalabaw?

milk in all its goodness, in 200-ml and 1-litre bottles, available in plain, coffee and chocolate flavors," paalala nito.

"Our team at Don Dairy PH believes in making fresh, rich, nutritious, and wholesome dairy accessible to all Filipinos. We seek to elevate the local dairy market not only with our high-quality products but also through educating the community about the many advantages and benefits of milk," dagdag pa nito.

Puspusan naman ang paalala ng National Dairy Authority (NDA), isang attached agency ng Department of Agriculture (DA), na sa pag-inom ng gatas ay 'di lamang napapanatili ang malusog na pangagatawan, gayundin nakatulong tayo sa mga Pilipinong magsasaka at negosyante.

Ayon sa Philippine Carabao Center, hindi pahuhuli ang kalidad ng gatas ng kalabaw sa mga imported milk mula sa Australia at New Zealand. Kaya naman, dapat na pag-ibayuhin at suportahan ang carabao milk industry na hindi lamang nagbibigay ng dagdag na pagkakitaan, kundi malaking tulong sa nutrisyon ng mga Pilipino.

Sa kabilang banda, matapos ang isang Senate hearing na pinangunahan ni Senator Cynthia Villar, napag-alaman na mababa pa rin ang kabuuang produksyon ng gatas ng bansa.

Cont.on PAGE4

Maynila?

Ito ay ang Don Dairy, na matatagpuan sa 1448 Prudencio St., Sampaloc, Manila. Dito maaaring makabili ng carabao's milk at iba pang milk at dairy products na gaya ng chocolate milk, lactojuice, flavored carabao's milk, yogurt, kesong puti, at siyempre cow's milk, at iba pa.

Noon, inilalako pa ang gatas ng kalabaw sa mga bahay-bahay, ngunit ngayon, upang mapanatili ang kalidad nito, maaari mo siyang orderin sa pamamagitan ng telepono bilang 825-121-63 o bisitahin ang Don Dairy PH Facebook page upang maipadeliver ang napiling produkto sa iyong bahay.

Pwede ka rin magtungo mismo sa Don Dairy at doon na bumili ng kanilang mga produkto. "We source our milk from select local dairy farms and pasteurize with world-class technology in our facility. Our location in the Metro ensures freshness for our customers," ayon sa kompanya.

"Don Dairy PH delivers guaranteed fresh carabao's

others.

The video presentations would be shot inside DOST's mobile learning facility or bus called "nuLab", as if the host is talking to the students.

"The buses are not being used because of the pandemic. So what we did was to use the modules in the bus, and turned these into a radio production," Cristobal added.

Having these radio and video production would enable the DOST to reach more students during the pandemic, she said.

The videos would be uploaded online via the DOST-SEI's website as well as its Facebook page.

"We don't have a budget for the airtime of radio production. So what we did was to partner with a network. The program would be aired on DZRH, as I have a science program there every Sunday," she added.

The two programs are likely to start airing by September.

Meanwhile, Cristobal said the Department of Education has expressed interest in these radio and video production, and wanted copies of these.

"They see these as a valuable addition to their (learning tools). We would allow them to have the materials after we show these on our website. We just need them to put the proper credit," she said. Frm:(PNA)

of Bacoor**

#8thCityhood Anniversary

In celebration of the eighth anniversary of Bacoor's cityhood, Bacoor government donated mass to St. Michael de Archangel Parish attended by Mayor Lani Mercado Revilla and our councillors. After mass, Mayor Lani prayed that COVID-19 crisis would end. He said, "Many have been deprived of life. Many are still on the mat of illness. And more that many are living in the doubt caused concerns about the livelihood, the health of family, our children's education, and so many more." He added, "Let us ask God to guide all our leaders so that the decisions are accurate and consistent with His will for the benefit of the most many of our citizens." At last he gave thanks to our Lord for the blessings he has bestowed on the city of Bacoor. He said, "Cityhood is a lot of good things to our personal lives, to our family's lives, and to the lives of our community. And we enjoy every year we celebrate our cityhood, the level of progress and progress is getting higher." The City of Bacoor recently entered the Top 10 City of Bacoor in the criteria of economic dynamism, government efficiency, infrastructure, and resiliency in the annual ranking conducted by the Cities and Municipalities Competitiveness Index of National Competitiveness Council in 2019. Mayor Lani said, "And we have a whole hope that with the help and continuous grace of our Lord, despite the pandemic and other challenges and obstacles, we can continue the progress and progress of our city."

Nakatikim ka na ba...p2

"Dairy production is only at one percent, while the other 99 percent of the demand were all imported, ani Villar.

Ayon sa senador, mas makatutulong sana ang mas mataas na local dairy production para mapababa ang presyo ng gatas sa merkado at maging higit na abot kaya sa kamay ng mga mamimili ang masustansyang produkto.

Iniugnay pa ng mambabatas ang pagkakaroon ng sapat na nutrisyon ng batang Pilipino sa pagiging "responsive" nito sa edukasyon at mas magandang academic performance.

Sumang-ayon naman dito ang DA at nangakong tataasan at palalakasin ang dairy production ng bansa. (PIA-NCR)

Cavite Governor Jonvic Remulla announced the plan of having an Alcohol Breath Analyzer for all the policemen in Cavite, on June 24. This is part of the new ordinance of the province about drinking or "Public Intoxication Ordinance." The governor said, "The catch of the blood alcohol limit while driving the vehicle is automatically imprisoned." "The person walking on the street who was suspicious of drinking and failing the breath analyzer test is automatic with fine," he added. Remulla clarification, ordinance is also for the sake of every citizen. He also made it clear that drinking is not prohibited but if it causes risk to others must apply the law. "We don't prohibit drinking a lot. When inside the house, you will be the one to follow. But in the street, the law will exist. You can have fun but do not be a danger to others." Source: Governor Jonvic Remulla .source:#GoCavite

Media, other non-medical front-liners to get free Covid-19 test

MANILA – All media workers who have been ensuring that the public gets news updates can avail of free coronavirus disease (Covid-19) testing, Malacañang said on Thursday.

Presidential Spokesperson Harry Roque said the free polymerase chain reaction (PCR) testing would be offered to reporters, cameramen and photographers, newsroom employees, and other media workers.

"Mabuting balita po para sa mga kasama natin sa media. Pati po kayo ita-trato na ring mga front-liners at susubukan natin na lahat po ng miyembro ng media ay ma-test na rin via PCR (Good news for our friends in the media. You will also be treated as front-liners and we will try to ensure that all members of the media would undergo PCR testing)," Roque said in a virtual presser.

This comes after National Policy Against Covid-19 deputy chief implementer Vivencio "Vince" Dizon, in the same presser, announced that the country's testing capacity has exceeded 50,000 as of June 19.

Aside from media, Dizon said, other non-medical front-liners who may also undergo free Covid-19 testing are the police, military, coast guard, Bureau of Fire Protection workers, barangay tanods, contact tracing teams, mortuary and cemetery workers, and social workers and other facility volunteers.

Residents in hot spot villages may also receive free Covid-19 testing, he added.

"Dapat po dadagdag pa natin ang iba't-ibang mga kailangan natin i-test, kasama na po ang ating mga kasamahan sa media at kasama na rin po yung mga kasama natin na babalik na sa trabaho sa mga susunod na araw (We should add other individuals under those who need to be tested, including members of the media and those who will return to work in the coming days)," Dizon said.

He said all non-medical front-liners could visit either public or private labs, such as the Philippine Red Cross, to undergo testing.

"Hindi lang 'yun proteksyon para sa kanila dahil napakadalas ng contact nila

"Ang maliliit na negosyo na hindi aabot ang income sa P250,000 o below ay exempted sa pagbabayad ng buwis."

Department of Finance Asst. Antonio Lambino II,
Public Briefing: #LagingHandaPH, 16 June 2020

sa maraming mga kababayan natin, pero proteksyon din 'yun sa community na ma-test natin sila at siguraduhing hindi sila mahahawa at hindi din sila makakahawa (It's not only protection for them because they have frequent contact with many of our citizens but protection for the community to ensure that they do not get infected and do not infect others)," Dizon said.

He earlier said more asymptomatic individuals may undergo Covid-19 testing besides repatriated overseas Filipino workers (OFWs) and locally stranded individuals (LSIs).

The government previously prioritized testing for those with Covid-19 symptoms, travel history to coronavirus-hit countries, and exposure to positive cases.

With the arrival of 1.04 million Covid-19 test kits last June 21, Dizon said the goal is to conduct one million Covid-19 tests by the end of July.

Currently, the country has been able to conduct about 600,000 tests.

"Sa mga susunod na buwan, pipilitin po natin na

padamihan pa ito hanggang umabot tayo sa ating target na 10 (percent) to 12 percent sa ating mga densely-populated areas at sa buong bansa pipilitin na tayo sa halos 2 percent ng ating buong populasyon (In the coming months we will try to increase this until we reach our target of testing 10 percent to 12 percent of individuals in densely-populated areas and 2 percent of the entire population)," he said.

As of June 24, a total of 66 laboratories can conduct 50,000 Covid-19 tests per day – 41 in the public sector, 24 in the private sector, and one public-private initiative at the De La Salle University in Dasmariñas, Cavite.

According to Roque, all PCR tests would be shouldered by the state insurer Philippine Health Insurance Corp. (PhilHealth).

"Siyempre po ang test na ito ay babayaran ng PhilHealth. Kasama po ito sa Diagnostics Services na babayaran ng PhilHealth sang-ayon sa Universal Healthcare Law (These tests will be shouldered by PhilHealth. This is included in the Diagnostics Services

3rd Quarter: on or before September 30, 2020
4th Quarter: on or before December 29, 2020

MAYOR Emmanuel MALIKSI

90% ng namatay...mula p1

sa sitwasyon sa COVID-19 sa lalawigan ng Cavite.

Sa huling tala mula sa Provincial Health Office ng Cavite, mayroon nang kabuuang 502 kaso ng COVID-19 sa lalawigan, 195 ang gumaling na at 36 ang mga nasawi.

Ayon pa kay Gov. Remulla, tama ang prediksiyon ni Dr. Charles Yu sa progreso ng positive cases ng COVID-19 sa Cavite.

"June 1 pa lamang ay sinabi na niya na aakyat ang kaso ng COVID after 2 weeks ng general community quarantine (GCQ) sa National Capital Region (NCR). Halos 80% ng mga kaso ay galing sa mga may lakad o trabaho sa NCR," patuloy ni Gov. Remulla.

Ibinahagi rin ng Gobernador na lagpas 1,000 na ng mga medical frontliners sa Cavite ang sumailalim na sa targetted testing. Sa bilang na nabanggit, may 12 lamang ang kumpirmadong nag-positibo sa COVID-19.

"So, good job sa mga frontliners for following protocols. Next week ay mga pulis naman ang dadaan sa testing," pagtatapos ni Remulla.

Samantala, sa huling tala na inilabas ng Department of Health Center for Health & Development (DOH-CHD) Region 4A alas-3 ng hapon ng Hunyo 24, 2020 may kabuuang 513 ang bilang ng COVID-19 confirmed cases

sa Lalawigan ng Cavite.

Mula sa 502 na kasong nabanggit ni Gov. Remulla, ito ay nadagdagan ng 11. May kabuuang bilang na 194 ang recovered, 36 na namatay habang nasa 283 naman ang bilang ng active cases.

Pangatlo pa rin ang Cavite sa mga probinsiyang may matataas na kaso ng COVID-19 sa buong CALABARZON habang ito ang nangunguna sa may pinakamaraming active cases. (CPGonzaga, PIA-4A at ulat mula sa FB Page ni Cavite Gov. Jonvic Remulla)

CAVITEX...from p1

PRA General Manager Atty. Janilo Rubiato said, "We salute our frontliners for their unwavering service to the Filipino people. We are one with the government in ensuring that essential goods and services are safe when they access CAVITEX."

Meanwhile, a 3,200 sqm area acquired right-of-way for C-5 Link Segment 2 that is located across the PEA Tollway Corporation compound was allowed for use as checkpoint to assist the Joint Task-Force COVID Shield operations.

Further, other initiatives include the construction, mobilization and set-up of a multi-purpose shed with utilities amounting to Php150,000.00 for the use of the Philippine Navy frontliners. Donation of reflectorized vests for Philippine Navy Fleet Marine Ready Force to keep them safe as they man checkpoints to monitor motorists going in and coming out of Cavite, Laguna and Metro Manila.

City Government of General Trias

New Isolation Facility

"CAVITEX with our joint venture partner PRA shall continue to extend help to support and boost the morale of our partners in government during this difficult time," said CIC President and General Manager Roberto V. Bonitia.

CIC and PRA in close coordination with the Inter-Agency Task Force on Emerging and Infectious Disease, assure concerned government agencies and especially the public of their continued support for the continuous and unhampered flow of goods and services along the expressways in the fight against this pandemic. SEN. VILLAR, NAIS IPATIGIL ANG BACCOOR RECLAMATION PROJECT

CITY OF IMUS:

SOCIAL AMELIORATION PROGRAM (SAP) SECOND TRANCHE:

Ang Pamahalaang Lungsod ng Imus at mga barangay ay nakahanda na para sa pamamahagi ng Second Tranche ng SAP Payout sa mga kwalipikadong sambahayan. Naghihintay na lamang tayo ng mandato at iba pang kinakailangan mula sa DSWD Regional Office upang masimulan na ang pamamahagi.

Bahagi ng proseso na isinasagawa ngayon ng DSWD Regional Office ang Deduplication at Crossmatching ng records sa ibang national agencies. Kinakailangan ito upang matiyak na kwalipikado ang isang benepisyaryo na makatanggap ng SAP payout.

SOCIAL AMELIORATION PROGRAM SECOND TRANCHE

Ang Pamahalaang Lungsod ng Imus at mga barangay ay nakahanda na para sa pamamahagi ng Second Tranche ng SAP Payout sa mga kwalipikadong sambahayan. Naghihintay na lamang tayo ng mandato at iba pang kinakailangan mula sa DSWD Regional Office upang masimulan na ang pamamahagi.

Bahagi ng proseso na isinasagawa ngayon ng DSWD Regional Office ang Deduplication at Crossmatching ng records sa ibang national agencies. Kinakailangan ito upang matiyak na kwalipikado ang isang benepisyaryo na makatanggap ng SAP payout.

Tayo ay muling magbababa ng impormasyon para sa second tranche ng SAP Payout Distribution sakaling may opisyal ng anunsyo ang DSWD.

MAYOR Emmanuel MALIKSI

Inudyok ni Senator Cynthia Villar nitong Martes ang Department of Environment and Natural Resources (DENR) na ipatigil ang reclamation project na pinangungunahan ng Bacoor City government dahil sa negatibong epekto nito sa kalapit na protected area at ilang komunidad sa paligid ng Manila Bay.

"The reclamation project will potentially cause irreparable damage to the Las Pinas-Paranque Wetland Park. The project will be building on the buffer zone of this protected area and will destroy the landscape in which the wetland now thrives," saad ni Villar sa isang pahayag.

Ang "wetland park" ay dating idineklara na protected area sa ilalim ng Republic Act 11038 o Expanded National Integrated Protected Areas System Act, dagdag niya.

Sabi pa ni Villar, ang 320-hectare reclama-

tion project, na umano'y inisayatibo ng Bacoor LGU kasama ng namamahala sa Frabelle Fishing Corporation, ay magiging sanhi pa ng pagbaha na aabot sa Las Piñas City.

Ayon sa senador, dapat ay bawiin ng DENR ang environment compliance certificate na inisyu ng Environmental Management Bureau noong Marso 5. Ito ay ang nagbibigay pahintulot upang simulan ang pagkaklaro sa project area at ng construction sa road networks at drainage system dito.

Diin ni Villar, hindi
