Provincial Government of Cavite

Through the collaborative initiative of the Office of the Provincial Governor and the Office of the Provincial Health Officer, a medical mission was successfully conducted last January 7, 2026 in Barangay Paliparan III, City of Dasmariñas, serving a total of 452 patients.

The provincial government's health outreach program provided free medical consultations, X-ray services, fasting blood sugar tests, and electrocardiogram (ECG) examinations, allowing constituents to directly consult medical practitioners regarding their health concerns.

Prescribed medicines and vitamin supplements were also distributed to help ease the financial burden of residents, particularly those at the grassroots level.

The Provincial Government of Cavite, under the leadership of Governor Abeng Remulla, remains steadfast in its commitment to safeguarding the health and overall well-being of every Caviteño. — J. Reyes

PhilHealth Implements One-Time Interest Waiver to Help Employers and Members Settle Contributions

PhilHealth welcomes the directive of President Ferdinand R. Marcos Jr. to implement a one-time waiver program for incurred interests from missed premium payments. This is a concrete measure to help employers, self-employed individuals, and other covered members settle long-standing contribution obligations and restore good standing with the National Health Insurance Program.

The waiver policy underscores the administration's commitment to fairness, economic recovery, and sustained access to healthcare by addressing the accumulated burden of interest arising from missed premium payments.

To provide clarity, the one-time waiver applies strictly to interest charges, and does not cover unpaid premium contributions. The policy is designed to assist employers and self-employed individuals whose arrears have ballooned

primarily because of compounded interest, while ensuring continuous delivery of benefits of employees and members of PhilHealth.

To further ease the financial burden on

DILG commits to support LGUs, strengthen disaster resilience programs under 2026 budget

CALAMBA CITY, Laguna (PIA) – The Department of the Interior and Local Government (DILG) CALABARZON has committed in supporting local government units (LGUs), strengthening disaster resilience initiatives, and prioritize community development as key programs following the approval of the P310.5-billion budget for the department under the 2026 General Appropriations Act (GAA).

In a statement released on January 9, DILG Calabarzon Regional Head Ariel Iglesia emphasized that a significant portion of the funding will be directed toward capacitating LGUs to deliver efficient, transparent, and responsive public services.

These include governance reforms, community-based development programs, disaster preparedness and response initiatives, and projects that improve basic service delivery at the grassroots level.

"The 2026 national budget gives us the ca-

pacity to further strengthen our priority programs that directly empower our local government units and bring essential services closer to the people," Iglesia stated.

The DILG director adds that local programs and services aimed at improving the way of life of communities are among the urgent matters for the year.

"Through this al-

location, LGUs will be better equipped to enhance disaster preparedness, sustain peace and order initiatives, and implement development programs that respond to the actual needs of our communities."

Iglesia then noted that under the leadership of Interior and Local Government Secretary Jonvic Remulla, DILG will

intensify the monitoring of fund utilization to ensure accountability, efficiency, and measurable results including close coordination with LGUs to guarantee that priority programs are implemented properly and

contribute to long-term development goals.

"Under the leadership of Secretary Jonvic Remulla, we remain steadfast in monitoring the effective utilization of these funds to foster peace, order, and progress throughout the region. Together, we move forward with our collective pursuit of a safer and more prosperous Bagong Pilipinas for every citizen in CALABARZON," Iglesia said.

The 2026 General Appropriations Act serves as the national government's annual spending plan, outlining the allocation of public funds to sustain government operations, deliver essential services, and implement priority development programs nationwide.

For 2026, the

DILG received the fourth highest allocation among national government agencies, after the Department of Education, Department of Public Works and Highways, and Department of Health. (AM/PIA CALABARZON)

De Claro also highlighted plans to deepen collaboration with fellow social protection agencies such as Pag-IBIG Fund and PhilHealth, particularly through shared digital initiatives designed to make government services more accessible and seamless for the public.

In addition, SSS will continue supporting capital markets, exploring overseas investments, pursuing land banking opportunities, and expanding services for overseas Filipino workers, including the planned opening of offices in Madrid and San Francisco, and the rollout of the Micro

reiterating the message of President Ferdinand R. Marcos Jr. for the New Year, De Claro called on SSS employees to face 2026 with discipline, confidence, and a shared commitment to national progress.

On behalf of the Social Security Commission, he assured that good governance will remain central to SSS operations as the agency works toward a more responsive, inclusive, and digitally enabled social security system.

The Social Security System (SSS) is gearing up for a more service-driven 2026 as it rolls out initiatives aimed at improving member experience, expanding digital services, and strengthening workforce capacity.

During the flag-raising ceremony at the SSS Head Office last January 5, SSS President and Chief Executive Officer Robert Joseph Montes De Claro underscored the agency's commitment to delivering better and more efficient services to its members, particularly through digitization and process improvements.

Speaking on behalf of Finance Secretary Frederick D. Go, De Claro welcomed the New

Year by thanking SSS employees for their performance in 2025, which he said laid a strong foundation for the agency's goals in 2026. He also paid tribute to retirees and honored colleagues who have passed away, recognizing their lasting contributions to the institution.

De Claro reported that SSS closed 2025 with solid financial indicators, including significant growth in assets, a strong income position,

and a stable fund life. He noted that benefit enhancements for pensioners and lower interest rates for loan products were among the improvements implemented last year.

Building on these gains, SSS will prioritize better service delivery in 2026, with the transition to paperless transactions as a key strategy. The agency also aims to boost workforce effectiveness by hiring
