

NCR, Cavite, Laguna, Rizal and Bulacan put under stricter MECQ for two weeks

PRES. RODRIGO ROA DUTERTE

President Rodrigo Roa Duterte on Sunday approved the recommendation of the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) putting Metro Manila and its nearby provinces in modified enhanced community quarantine (MECQ) for 15 days.

The President heeded call of the medical community to place the National Capital Region and the provinces of Laguna, Cavite, Rizal and Bulacan under MECQ

Cavite's Educational Plan bared, strictly for students' learning

TRECE MARTIRES CITY, Cavite (PIA) --Cavite Governor Jonvic Remulla bared the province's Educational Plan in anticipation of the opening of classes on August 24, 2020 following the Department of Education's blended learning modalities.

According to Gov. Jonvic Remulla, the provincial government would invest over Php4M a year for 5 years to set up a Virtual Private Network to serve the entire DepEd (approximately 650,000 students) in Cavite to run the Cavite Educational program.

This will involve setting up 5,000 access points across 829 barangays to reach 400,000 homes for the whole province.

Similarly, the program will use the DepEd system of transmission of lessons that can be downloaded with the use of electronic gadgets (smart phones, laptops, desktops, and tablets).

Moreover, the system is time bound sensitive for assessment purposes to monitor the progress of the children.

On the other hand, the program's limitations are the access to devices with those who could not afford a gadget will have to rely on the materials printed by DepEd and the system cannot be used for any other application except for education.

The system can only be accessed with the use of the DepEd Student ID number system.

Governor Remulla was happy to announced that the Cavite Educational system is free.

"Investing in our students is investing for the future. The pandemic may be gone sooner or later but the opportunity lost for the young minds today is a cost that will be hard to pay for," the governor concluded. source: (Ruel Francisco, PIA-Cavite with report from the official FB page of Gov. POPCOM IV-CALABARZON EXTENDS SERVICES ON REPRODUCTIVE HEALTH CONCERNS THROUGH HELPLINE

With the continuous battling against the COVID-19 and with the series of community quarantines in the provinces of CALABARZON, the Commission on Population and Development (POPCOM) Region IV-A CALABARZON has opened POPCOM COVID-19 Helpline.

The POPCOM COVID-19 Helpline supports the public as it caters any issues and concerns related to Responsible Parenthood and Family Planning (RFPF), Adolescent Health and Development (AHD), and Gender-Based Violence (GBV). The public can contact agency's official helpline numbers: 0917-1100499 for RFPF concerns; 0917-1227434 for AHD concerns; and 0917-1468825 for GBV or the public can also contact the agency through messenger via POPCOM CALABARZON's official Facebook page (fb.com/POPCOM4CALABARZON) every day.

The implementation of community quarantines limit the movement of people from one place to another, thus home quarantine is a safety precautionary measure for the spread of the virus among individuals. However, the impact of the said quarantine interrupts the access and delivery of family planning (FP) information and ser-

vices. Likewise, it may also increases the frequency of violence against vulnerable population as well as facilitates longer exposure of adolescents to misinformation about their sexuality.

"The community quarantine being implemented nationwide made it difficult for couples and individuals to access family planning services from health centers which may cause to unintended pregnancies and higher unmet need for modern FP," POPCOM-CALABARZON Regional Director Angelito S. Obcena said.

RD Obcena added that women and children are vulnerable to verbal, physical, and even emotional abuse.

Based on the 2017 National Demographic and Health Survey, CALABARZON region has 16.2 percent of women aged 15-49 have experienced physical violence, whereas 3.3 percent have experienced sexual violence. Consequently, POPCOM has joined forces with other national govern-

ment agencies in improving the welfare of these victims by calling all duty bearers to institute mechanisms to prevent gender-based violence during this public health crisis.

Most of the young people are now on the online platform as a new learning modality. With the on-going community quarantine adolescents have increased the time exposure to internet that discloses them to misinformation on reproductive health and their sexuality.

With the POPCOM COVID-19 Helpline, the agency aims to assist the community health centers and its health service providers in ensuring that FP information is still within the reach as well as commodities will be provided to those in need. POPCOM also intends to provide first line of assistance and support through provision of age-appropriate health information and referral to social protection services. (PIA-4A/POPCOM IV-CALABARZON)

House panel OKs microfinance programs for MSMEs

MANILA – A measure institutionalizing microfinance programs and access to capital to support and grow micro, small and medium enterprises (MSMEs) hurdled committee level at the House of Representatives.

The House Ways and Means Committee approved on Monday a substitute bill to the proposed Puhunan, Tulungan, Kaunlaran (PTK) Act, which aims to provide MSMEs easier access to credit through a loan program with simplified processes and low interests.

Speaker Alan Peter Cayetano

fied processes and low interests.

Speaker Alan Peter Cayetano, a principal author of the bill, said the proposed loan program is similar and as dynamic as the infamous '5-6' lending scheme in terms of access to microfinance but provides much lower and affordable interest rates. "With this measure in place, Filipino families and enterprises would no longer resort to borrowing from unconscionable '5-6' lenders and should be able to feel the effects of the country's exceptional GDP (gross domestic product) growth through efficient and effective access to loan facilities," Cayetano said.

Under the bill, the

She added, "Let us help ourselves, so we can also help our economy to move forward. Magtulong-tulong po tayo at huwag nating hayaang magiging hadlang ang pandemic sa ating kabuhatan."

Meanwhile, Asec. Tolentino delivered an inspirational message highlighting the importance of business opportunities granted by the government in this time of pandemic.

"During COVID-19, ang ating mga kababayan ay binibigyan pa rin ng pagkakataon upang magkaroon ng kabuhatan at mapalakas pa ang mga tinatawag nating

In her speech, Magallanes Mayor Jasmin Angelli Maligaya-Bautista expressed her gratitude to DTI for providing livelihood assistance to their community.

"The unwavering support of DTI to Magallanes is very much appreciated. We hope that our beneficiaries will make use of the starter kits well and eventually grow their businesses," said Mayor Bautista.

Under MECQ, No public transport policy sa Cavite

"OVERRULED"

Malungkot na ipinabatid ni Governor Jonvic Remulla na hindi pinayagan ang kaniyang naunang desisyon na payagan ang limitadong pampublikong transportasyon para sa mga mangagawa ng Cavite.

Sa kaniyang Facebook post nitong Agosto 5, sinabi niyang mabigat na binalaan ng IATF ang Provincial Commander ng PNP Cavite na mahigpit na ipatupad ang "No Public Transportation Policy."

Aniya, "This is a very unwise decision but I will respect it. Our manufacturing industry will be severely affected."

Humingi rin ng paumanhin ang gobernador sa mga mamamayan at manggagawa ng Cavite dahil rito.

"Sa aking mga kababayan, ako po ay humihingi ng paumanhin. I tried my best to serve your interest, as well as the Province and the Country. Unfortunately, the people in charge see things

City Government of Bacoor

Nagkaroon ng pag-pupulong ang mga bumubuo ng Liga ng Barangay at si Mayor Lani Mercado Revilla kaninang hapon sa Bacoor Strike Gymnasium via Zoom, upang pag-usapan ang mga panuntunan na sumasailalim sa muling paglagay sa MECQ ng Lungsod ng Bacoor at Lalawigan ng Cavite.

Ang pinatawag na meeting ni Mayor Lani ay para siguraduhin na maayos na maipapatupad ng mga Bar-

rangay Captains ang mga guidelines ng MECQ sa kanilang mga sinasakupan.

Nagbahagian din ng mga mungkahi at opinyon ang ilang mga Kapitan kay Mayor Lani na maaring makatulong sa pagpapatupad ng mga panukala ng MECQ sa bawat barangay ng lungsod, na isinaalang-alang naman ng butihin mayor.

.....
Bacoor City Mayor Lani Mercado-Revilla ordered the urgent implementation of Liquor Ban across the city along with MECQ implementation from August 4-18, 2020.

Ordinance related to this city's ordinance has been approved.

On the first day of MECQ will inform all Barangays and places across Bacoor and our local government is giving us a day of grace where our Barangay officials and enforcers will just see each other and ban the sale wine. In the following days those who violate it will be caught. Selling and drinking alcohol is prohibited during MECQ.

from August 3 to August 18 to arrest the continuous rise in coronavirus disease (COVID-19) infections.

Medical frontliners appealed to the government to place Metro Manila and nearby provinces under stricter lockdown for the next two weeks to prevent the collapse of the health care system and for the government to craft a more effective response against the pandemic.

Aside from placing NCR under MECQ, the task force recommended hiring additional healthcare workers as well as the creation of healthcare worker reserve. It also called for the government to enter into memorandum of agreements with private hospitals until December 2020 to deploy healthcare workers to private facilities.

The IATF recommended granting additional benefits to healthcare workers such as P10,000 risk allowance for private sector healthcare workers as well as free life insurance to be included in the Bayanihan to Recover as One Act.

Health frontliners will also be given free accommodation and

transportation and they will also undergo frequent COVID-19 testing to ensure their safety.

Work and quarantine passes will be strictly implemented to minimize outdoor activities. The public will be encouraged to strictly follow minimum health standards such as mask wearing, observance of social distancing and frequent hand washing.

RT-PCR test will be adopted as the major screening method. The test is considered the gold standard in detecting COVID-19 cases.

Metro Manila has been under general community quarantine (GCQ) since June 1 as the government gradually reopens the economy to prop up economic activity in the midst of the pandemic.

Last week, the President announced that Metro Manila would remain under GCQ for two more weeks.

On Sunday, the Department of Health (DOH) reported 5,032 new cases of COVID-19, bringing the total number of infected individuals to 103,185 with 2,059 deaths and 65,557 recoveries. Source:PCOO/PND

to persons with psychosocial and mental health issues and to help them handle their situation for them to recover appropriately.

"Facing the COVID-19 pandemic gives us stress and mental health concerns, so much fear and worry about your own health and the health of family, including your financial situation, your job, or the loss of support services you rely on causes strong emotions, especially among adults. Public safety measures such as social distancing can also make some people feel isolated which can further cause anxiety although these actions are necessary to prevent the spread of the virus," Regional Director Eduardo C. Janairo stated.

"Nakikita natin ito sa mga social platforms like Facebook, wherein people are posting and expressing about their worries and fears sa COVID-19. Me mga humihingi ng tulong on how to manage themselves during this pandemic."

"What will happen today and the days to come gives us problems in general. Lahat tayo affected, no one is spared. Iniisip mo pa lang na sa paglabas mo ng bahay at pagbibili ng gamot o pagkain eh baka magka-COVID ka na can affect your behavior. And sometimes this panic may even trigger some underlying unresolved or suppressed trauma and we should be careful and delicate on how to handle these situations," he emphasized.

Among the clients who were given mental health and psychosocial support service (MHPSS) are those suffering from depression with suicidal thoughts, panic attack, anxiety disorder, hallucination,

adjustment disorder and bipolar disorder.

From April 28, 2020 to July 31, 2020, there were 105 clients from CALABARZON given psychosocial support service, 72 from the National Capital Region, 31 from Central Luzon, 6 from Central Visayas, 5 from Eastern Visayas, 5 from Bicol Region, 5 from MIMAROPA, 3 from Ilocos Region, 2 from CAR, from Zamboanga Peninsula and 1 each from Cagayan Valley, Northern Mindanao and Davao Region. Three other clients who didn't identify their place of residence were given MHPSS. Ages of clients ranged from 16 to 67 years old.

A total of 184 clients have availed of the service and were given mental health and psychosocial support service (MHPSS), 103 of these were referred to their respective regions.

According to Paulina A. Calo, DOH-CALABARZON, Regional Mental Health Coordinator, the "Kapit-Bisig" Helpline uses an online platform (Facebook, Messenger) to provide psychological first aid (PFA), Psychological interventions, Psychiatric Consultation and Treatment, and Referral to other health-related services.

The "Kapit-Bisig" Helpline is a psychosocial support project of the Mental Health Program of DOH-CALABARZON through the directive of Regional Director Eduardo C. Janairo and facilitated by trained providers of MHPSS and PFA across the region.

People who are stressed out can seek help through this Psychosocial Helpline through Log in to Facebook | Facebook from 10AM to 12NN and 1PM to 3PM on Tuesdays and Thursdays.

Mga kondisyon sa pag-angkas sa motorsiklo, niliwanag ng DILG

Sa muling pagsailalim ng Metro Manila at ilang karatig pook sa Modified Enhanced community Quarantine (MECQ) pinyagan ng pamahalaan ang back riding o pag-angkas sa motorsiklo, dahil suspendido ang mga pampublikong sasakyan.

Subalit, niliwanag ng Department of the Interior & Local Government (DILG) ang mga kondisyon na kailangan sundin ukol ditto.

Ayon kay DILG Secretary Eduardo Año, upang may masakyan kahit papaano ang mga frontliners at mga otorisadong taong puwedeng lumabas (APOR) ay pinayagan na ang motorcycle backriding, ngunit, sa ilalim ng ilang kondisyon.

barangays. MSME beneficiaries of the LSP-NSB Program may include sole proprietors, cooperatives, or sectoral associations that are located in identified barangays, including those in Local Communist Armed Conflict (LCAC) affected areas, vulnerable communities such as the indigenous people, refugees, and stateless persons. Priority assistance is given to MSMEs affected by natural and human-induced calamities, including health disasters arising from epidemics and pandemics.

External Affairs Administrator Victor Dihan, on behalf of Amadeo Mayor Redel John Dionisio, warm-

ly welcomed the DTI Team, acknowledging the presence of DTI-Regional Operations Group Assistant Secretary Dominic Tolentino, Jr. and DTI 4-A Director Mari-lou Q. Toledo who, according to Mr. Dihan, have been in the service of Caviteños for a significant amount of time. Likewise, recognition was given to Mr. Maynard Ambion of the Business Permit and Licensing Office, Ms. Lynette Bayot of the Public Employment Service Office, and the Barangay Captains of Brgy. Minantok Kanluran, Minantok Silangan, Maymangga, and Bucal in Amadeo for their cooperation in the execution of the project. During her message, Director Toledo emphasized her hopes for the success of the LSP-NSB program, underscoring its positive effect in the barangay-level economy.

"Ang layunin ng DTI, sa pamamagitan ng LSP-NSB, ay makapag-umpisa sa community ng maliliit na negosyo. At mula sa maliliit na negosyo na ito, doon mag-uumpisa Cont.on PAGE3
